

# DECLARATION OF MAJOR/CHANGE OF MAJOR - Undergraduate

Records and Registration Office/State University of New York at New Paltz

- Students must declare an academic major and request a faculty advisor through the chair of the appropriate department before they have completed 75 credits.
- For students seeking a teaching certificate, advisors both in education and the subject field must be named.
- If a student changes a major, he/she must complete the Change of Major form in the new department.

**NOTE: The signatures of the student and the department chair or designee are required.**
