

# THE CAS INTERNSHIP STIPEND PROGRAM

*A service of the Career Resource Center*

The goal of the CAS Internship Stipend Program is to provide SUNY New Paltz students with the opportunity to gain valuable experiential education without sacrificing needed income. CAS Internship Stipend funds offer monetary support for undergraduates who secure internship opportunities to investigate career options, further develop career-related skills, and link classroom learning to the world of work. These funds enable students to participate in career-related experiences, regardless of financial constraints.

The CAS Internship Stipend Program is a highly selective and competitive program that offers a limited number of scholarship stipends **up to \$1,000 for the fall and spring semesters to students involved in a semester-long internship or student teaching placement. Students participating in a full-time (20+ hours per week) summer internship may be eligible for a scholarship stipend in an amount up to \$3,000.** Students will receive the stipend in two installments, one at the beginning and the other towards the midpoint of the internship. This stipend applies to only credit bearing, non-paid or low paying internships and ones that are career related. The Faculty Advisory Council of the Career Resource Center, plus a CAS representative, are responsible for selecting the recipients of the CAS Internship Stipends.
