

TEACHER RECRUITMENT DAY

MARCH 24, 2010

The following districts will be attending Teacher Recruitment Day 2010. Some may have listed their "anticipated needs". Please do not apply to that particular district if your certifications are not what they are looking for. You may, of course, apply for interviews to all districts who have not listed specific positions. *In addition, check these listings periodically, as new districts or positions may be added up until resume collection time (February 16th-18th).*

For those choosing to mail your resumes for submission, kindly print off this list and circle your selections. Mail it with your resumes no later than Feb. 15th-preferably "Return Receipt Requested". **REMEMBER-we need 1 extra copy of your resume for our office in order to mail your interview schedule to you.**

If you have any questions, please do not hesitate to call. We can be reached at (845)257-3265 and are happy to assist you with this application process.
