

## The Portfolio in Composition I:

Students will be required to submit portfolios of their work in order to receive a passing grade for Composition I. To be eligible to submit portfolios, students must demonstrate competency in grammar and usage through an editing exercise and also must be passing the course with a D or better.

The portfolios will consist of the following:

- two revised essays (clean copies) with drafts
- two timed writings
- a cover letter – a final reflective statement

*Note: The first timed writing will be a mid-term examination given by the instructor; the second timed writing will be a final examination designed by the instructor and given on the Common Final Exam day.*

Portfolios will be graded as passing if they are deemed a level 4 on the placement and proficiency scale.
