ASSET VERIFICATION WORKSHEET

Your application has been selected for verification. Federal regulations may require the Financial Aid Office to verify the accuracy of reported assets as part of the verification process. Report values as of the date the 2016-2017 FAFSA was completed. ***If there is no value, enter $0 in each section.***

_____ Total current balance of student’s (and spouse’s) cash, savings, and checking accounts. Please report principal amounts, not the interest generated from the principal amount.

$ ______________________________________________________________________

_____ Total current balance of parents’ cash, savings, and checking accounts. Please report principal amounts, not the interest generated from the principal amount.

$ ______________________________________________________________________

_____ Net worth of student’s (and spouse’s) investments including stocks, stock options, bonds, money market funds, UGMA and UTMA accounts, securities, commodities, mutual funds, CD’s, trust funds, and qualified educational benefits or education savings accounts.

$ ______________________________________________________________________

_____ Net worth of parent (and stepparent) investments including stocks, stock options, bonds, money market funds, UGMA and UTMA accounts, securities, commodities, mutual funds, CD’s, trust funds, and qualified educational benefits or education savings accounts.

$ ______________________________________________________________________

_____ Real Estate/Rental Property. Provide information for each real estate investment property separately. Do not list the home in which you live in. However, you must report a rental property unit that is within a family home that has its own entrance, kitchen, and bath rented to someone other than a family member. Use the back of the form if more than 2 properties are owned. Report installment and land sale contracts (including mortgages held).
