

HOW TO COMPLETE YOUR STAFFORD MASTER PROMISSORY NOTE AT HESC

Sign your Stafford MPN electronically online! The process is fast, easy and secure!

The electronic Master Promissory Note (e-mpn) allows Stafford borrowers to electronically sign their MPN.

The HESC PIN number, which will be assigned to you during the process if you do not have one, will serve as your electronic signature.

The student will select a lender during the process from a drop-down box. The selection of the lender is entirely up to the student.
