TERMS AND CONDITIONS OF FINANCIAL AID

2011-2012 Academic Year

All students are required to accept or decline awards in their aid package on-line at my.newpaltz.edu. Follow the log-in directions and click the appropriate column (yes or no) as indicated.

Following are the terms and conditions of aid acceptance. Aid program awards are determined by the information you and/or your parents provided on your 2011-12 Free Application for Federal Student Aid (FAFSA).

Need-based aid eligibility is determined by subtracting the expected family contribution (EFC) from the standard budgeted college costs. The EFC is indicated on your 2011-12 year Student Aid Report. Standard budget cost totals are indicated at the beginning of your award notice and include both direct or billed costs (tuition, fees, room & board) and indirect costs (non-billed costs such as personal expenses, books, supplies, transportation and average student loan fees).

Outlined below are the **Conditions of Acceptance** of your financial aid award(s). Please be sure that you understand this information before you accept / decline your aid package at my.newpaltz.edu. Award notices are emailed to all complete aid applicants on a rolling basis throughout the year. You will also find a copy of your aid package on the college's web site link "my.newpaltz.edu".

CONDITIONS OF ACCEPTANCE: *NOTE: You may have been awarded one or more of the following:

FEDERAL PELL GRANT: This is a Federal Title IV grant program, which can be used to help offset your cost of attendance. Awards range from \$555 to about \$5,550. You must be a matriculated enrolled undergraduate to be eligible. Students pursuing a second baccalaureate degree are not eligible.

TUITION ASSISTANCE PROGRAM (TAP): TAP is a New York State sponsored program with a maximum award of \$5,000. Awards at New Paltz range from \$500 to \$4,995 per year for eligible undergraduates. The TAP listed on the award notice **REMAINS AN ESTIMATE UNTIL YOU RECEIVE AN AWARD CERTIFICATE** from the New York State Higher Education Services Corporation in Albany. **AFTER** filing the FAFSA, New York State Higher Education Services Corporation (HESC) will determine your actual TAP award after you complete the TAP application (ETA). The ETA application can be

done when completing the FAFSA by filing a separate (ETA) electronic TAP application on-line at www.hesc.com. Questions regarding your TAP application should be directed to HESC at 1-888-NYSHESC.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG):

This is a federal grant awarded to Pell eligible students with high financial need. Awards at New Paltz usually range from \$200 to \$800 per year. FSEOG funds are extremely limited.

EDUCATIONAL OPPORTUNITY PROGRAM GRANT (EOP): EOP is a New York State sponsored grant award to students who have been accepted into the College's Educational Opportunity Program. Awards range from \$50 to \$2,800 per year based on need. In addition to being accepted into the EOP program, the student must be matriculated and full-time. You must initially be accepted to college as an EOP student to be considered.

FEDERAL PERKINS LOAN: Perkins is a federal TITLE IV loan program. Awards generally range from \$200 to \$4,000 per year. Students must be matriculated and enrolled in a full-time undergraduate or graduate degree program. Awards are very limited and are awarded to students based on high need. (Second undergraduate degree students are not eligible.) The interest rate is 5%, however, interest and repayment do not begin until nine months after the student ceases to be enrolled for at least six credit hours. The student must sign a master promissory note provided by the office of the Student Loan Coordinator. First time borrowers must have an entrance interview usually no later than the end of the first week of classes. Visit Room 302 in the administration building or call 257-3198.

FEDERAL WORK STUDY (FWS): This federal TITLE IV program allows students to work part-time either on or off-campus while enrolled at the College. Awards usually range from \$900 to \$1,200 per year. Students may work up to 20 hours per week and are paid by the hour. FWS is awarded based on need and the date the FAFSA was received by the Financial Aid Office. The FAFSA should have been filed as soon as possible after 1/1/11 to be considered. To be eligible you must be matriculated and enrolled in an undergraduate or graduate program. A FWS award is not a guarantee of a job. To be considered for employment you must come to the job fair held during the first week of the fall semester. You must complete an I-9 form, W-4 form, and an IT-2104 form before commencing work if you did not earn work-study in 2010-11. The college also offers a limited number of off-campus positions through the Community Service Learning Program. Inquire with the Job Locator counselor. FWS may not be used to defer college charges.

DIRECT SUBSIDIZED LOAN: A federal TITLE IV need-based loan program. (FFELP Stafford Loans no longer exist and have been replaced by Direct Loans) Loans are directly originated by the Federal Government and may range up to \$3,500 for the first year of undergraduate study, \$4,500 for students who have completed 30 to 59 credits, \$5,500 for students who have completed 60 credits or more and up to \$8,500 per year for graduate students. The federal government pays the interest on the loan while the student remains enrolled at least half time. The interest rate is 3.4% for undergraduate students. For graduate students, the interest rate is 6.8%

1) All 2011-2012 borrowers must have a completed a master promissory note on the web at www.studentloans.gov (master promissory notes are valid for ten years). DIRECT UNSUBSIDIZED LOAN: A federal TITLE IV loan program available to all students enrolled in at least six credits regardless of income. The borrower is responsible for interest payment while enrolled or can have it capitalized (added to the principal balance). **NOTE:** Loan limits for the Unsubsidized Direct Loan Program for dependent students are the same as the Subsidized Loan Program and, if combined, cannot exceed this limit. For example, if you are a first year student and qualify for a \$1,000 need-based Direct Loan, you would still be eligible for up to \$2,500 in an Unsubsidized Stafford Loan, for a total annual amount of \$3,500 (based upon college costs). The Federal DIRECT PLUS (Parent Loan for Undergraduate Students) as indicated on the award letter is another option available to you in financing your son or daughter's cost of education. Eligibility is based upon your credit worthiness as determined by the US Department of Education. The parent borrower must complete the PLUS request process on-line at www.studentloans.gov after June 1st.

NOTE: If you desire less loan aid than awarded, indicate so in the space provided at my.newpaltz.edu.

CREDIT DENIALS: If you find that your application to borrow through Federal Direct PLUS is denied, your son or daughter may have additional eligibility through the Unsubsidized Direct loan. Unsubsidized means that interest will accrue while your child is in school. They will have the option to pay the interest, or to request capitalization (deferring the in-school interest payments and adding it to principal). Your child should consult with the Financial Aid Office for further advisement about their potential eligibility for up to \$4,000 (Freshman, Sophomore) \$5,000 (Junior, Senior) and provide documentation of PLUS denial. (**NOTE:** You must apply for PLUS and be denied before the student can be considered for any additional Unsubsidized loan eligibility.)

Following are some general terms and conditions governing the PLUS program.

*Parent PLUS loan borrowers whose loans were first disbursed on or after Jul 1 2008 may choose to have repayment deferred while the student is enrolled at least half-time (and for an additional six months after that student is no longer enrolled at least half-time). Interest that accrues during these periods will be capitalized if not paid by the borrower. For more information on deferment please visit www.dl.ed.gov.

***REMEMBER:** The parent borrower must complete the PLUS REQUEST PROCESS and MASTER PROMISSORY NOTE on-line at www.studentloans.gov after June 1st.

*The PLUS interest rate is fixed at 7.9%. If you borrow more than \$5,000, you will have up to ten years to repay.

* ALL Federal PLUS loans are disbursed directly to SUNY New Paltz.
