**Schedule Building Tips:**
- If you have fewer than 30 credits earned, select 100-200 level courses.
- Make sure you’ve taken the necessary prerequisite courses.
- Register for co-requisites (course that must be taken simultaneously with another course).
- Check for course restrictions & obtain necessary permissions.
- Register for about 15 credits.
- Include any required courses (e.g., Comp 1 and Comp 2 must be completed first year).
- Avoid time conflicts for lectures, lab, and discussion sections.
- Select alternate courses.
- Check Progress Report to review unmet requirements.

**Before You Register:**
- Check in my.newpaltz.edu for your registration time assignment.
- Make an appointment with your advisor to get your registration PIN.
- Make sure you have no HOLDS on your account.
