Identity and Statement of Educational Purpose

(To Be Signed With Notary Public) You have been required by the federal government to verify your identity and complete a Statement of Educational Purpose. If you are unable to appear in person at SUNY New Paltz to verify your identity and sign the statement, you may complete the process by signing the statement with a Notary and sending the completed original notarized form to the Financial Aid Office. You will need to attach a copy of your **unexpired** valid government-issued photo identification. Acceptable forms of ID include driver's license, non-driver's identification card, other State-issued identification, or U.S. passport. No aid can be awarded until this process is complete.

Statement must be completed in the presence of a Notary. Remember to attach photo ID.
