• Carefully review the information provided on your Student Aid Report (SAR) that is sent to you upon completion of the FAFSA. The information from the SAR can provide a student with important information about possible amounts of financial aid.

• For help completing the FAFSA, you can use online chat at FAFSA on the Web or call the Federal Student Aid Information Center toll-free at 1-800-433-3243.

EXTENUATING CIRCUMSTANCES

The Office of Financial Aid recognizes that some students and/or parents may have unusual or extenuating circumstances that may complicate the completion of their financial aid application. In the following cases, the student may need to talk to a Financial Aid Administrator before submitting his/her FAFSA.

• The student is Dependent using financial aid criteria, but the student believes that he/she should be Independent due to special circumstances.

• The FAFSA uses 2015 family income to determine financial aid eligibility for 2017–2018 financial aid. Some students and/or parents may experience unusual circumstances (e.g., significant decrease in family income, involuntary unemployment, death in family, legal separation/divorce before the FAFSA was filed, etc.) that would mean that 2015 income would not be a good indicator of the family’s financial status. It may be possible for the Office of Financial Aid to make adjustments to the family income.

July 15, 2017, is the deadline for submitting documentation and appeals due to extenuating circumstances.

Information about special circumstances is available at www.newpaltz.edu/financialaid.

FINANCIAL AID LETTER

The College electronically receives the processed financial aid information from the U.S. Department of Education, after the student completes FAFSA on the Web. If the FAFSA application is complete and no other further information is required, the Office of Financial Aid will then send each applicant a financial aid award letter by e-mail indicating their estimated eligibility for state and federal grants, scholarships, federal loans, and/or federal work-study. Students can accept or decline their financial aid award letter electronically on my.newpaltz.edu.

A FSA ID

If you do not already have a U.S. Department of Education Federal Student Aid (FSA) ID apply for one now online at StudentAid.gov/fsaid. You will need a FSA ID to electronically sign your Free Application for Federal Student Aid (FAFSA). If you are a parent providing information on the FAFSA, one parent should also apply now for a FSA ID so he/she can electronically sign your FAFSA. A FSA ID will allow you to agree to the FAFSA certification statement, sign and check the status of your FAFSA application, import your IRS tax information, make online corrections to an existing FAFSA, sign federal student loan documents, and complete loan entrance or exit counseling.

The FSA ID has replaced the Personal Identification Number (PIN) and is made up of a username and password which must be used to log in to certain U.S. Department of Education websites. Your FSA ID confirms your identity when you access your financial aid information and electronically sign Federal Student Aid documents. If you do not already have an FSA ID, you can create one when logging in to www.fafsa.ed.gov. If you already have a PIN you can link your information to the new FSA ID by entering your PIN while registering for your FSA ID.

Your FSA ID is confidential and should not be shared with anyone. Since the FSA username does not expire, if you have a PIN you can link your information to the new FSA ID by entering your PIN while registering for your FSA ID.

The FSA ID will allow you to:
- Access your FAFSA application without a PIN
- View the status of your FAFSA
- Sign electronically with your FSA ID
- Make corrections to your FAFSA
- Send messages to the U.S. Department of Education
- Keep a permanent record of your FAFSA
- Authorize the U.S. Department of Education to release your FAFSA information

IRS DATA RETRIEVAL TOOL

A simple and time saving process is to utilize the IRS Data Retrieval Tool in FAFSA on the Web. This feature allows financial aid applicants and their parents to retrieve, directly from the Internal Revenue Service (IRS), certain income and information from 2015 income tax returns and to automatically transfer that information to the FAFSA application.

Starting with the 2017-2018 academic year, financial aid applicants will use information from a tax year two years prior to the academic year to complete the FAFSA, instead of tax information from one year prior to the academic year. This change will make FAFSA filing easier and more accurate. Students will be expected to use the IRS Data Retrieval Tool to download tax return data directly from the IRS when completing the FAFSA.

Steps to update the FAFSA using the IRS Data Retrieval Tool:

- Visit www.fafsa.ed.gov and login to update your 2017—2018 FAFSA.
- Navigate to the FINANCIAL INFORMATION tab.
- If a 2015 tax return has been filed by the tax filer, select ALREADY COMPLETED under the parent and/or student TAX INFORMATION section.
- A series of questions will help determine if you are eligible to use the IRS Data Retrieval Tool. If eligible, you will be able to link to the IRS website which displays in a new window. Then, follow the steps as prompted.
- If you need help you can view the HELP AND HINTS sidebar, you can utilize LIVE HELP CHAT on the site, or you can call 1-800-433-3243.
