Photography BFA Major Application

We welcome printed applications
to the BFA in Photography Program.

Deadline: Friday March 15, 2024, 12noon

Info session about the Photography BFA:
March 6, 2024, 11:15am in OL 107C

To be accepted as a major in the Photography BFA program, a student must give evidence of the following:

- A portfolio showing solid knowledge of basic photographic techniques and procedures and the ability to make good aesthetic and conceptual judgment.
- Some knowledge of historic and contemporary photographic activity and a basic understanding of professional standards of quality.
- Ability to understand and discuss concepts relative to photographic criticism and issues in the field.

To apply:
- Review information on the Photography BFA and **download the application form and instructions** at https://hawksites.newpaltz.edu/photography/bfa/bfa-admission/.
- **Prepare your material:**
  - A concise portfolio of 15 - 20 prints - any size is fine, submit very large work rolled up. Include project descriptions where appropriate.
    Your portfolio should consist of your strongest work and be well finished. Each image or series should be accompanied by a short project/class assignment description. We are interested in your artistic voice and technical, creative, and conceptual qualities in the work.
  - Please note that photo majors participating in Photo Club offer help with making selections and decisions for your portfolios!
  - A completed application form with required statements.
  - A transcript and/or progress report.
- **Submit your material:** Drop with Andrea (OL 204) or Nadia (OL 204a) or leave in the hallway between the offices by 12 noon on March 15, 2024..
