All across the country, K-12 students are working on geography projects. Some students and teachers have found interesting, useful websites to share with you!

Send us your recommendations to post here, to share with other schools: greenowl@newpaltz.edu

Can you figure out which countries are shown in this map?

A student of Colorado Tutors recommends the Auto Insurance Center’s “Getting There by Car, Boat or Plane: A Quick Guide to Maps”

The Cleary Mountain Middle School submitted “Cartography and Maps for Beginners” from PlanetWare
