Ellen Munzer

**Administrative
Assistant**

Photo by Ken Wishnick

This year, Ellen Munzer began working for LLI as a part-time administrator. It's Ellen who keeps things running smoothly. You'll hear her golden voice returning your phone calls. You'll see her at brunches and other activities. We were fortunate to have Ellen join us, and we warmly welcome her to our family.

Ellen was born in Newburgh and moved to Staten Island (and later Manhattan) in the early 1980's, where she worked on Wall Street for Dean Witter, Kidder Peabody and Landmark Ventures as an administrative assistant or office manager, and attended NYU at night while working to support two children.

Ellen remarried in 1993 and moved back to Orange County, where she became a stay-at-home mom. As her children grew, Ellen worked part-time running a family catering business and then began her own successful business renting vacation condos in Florida.

Describing herself as the queen of shopping, Ellen says she loves cooking, fine dining, art, the opera, the great outdoors, anything that sparkles, fishing, and Lady Gaga.
