GRADUATE PROGRAMS
AT SUNY NEW PALTZ
WHY NEW PALTZ?

THE STATE UNIVERSITY OF NEW YORK AT NEW PALTZ is nestled in the heart of a vibrant, historic village in New York’s Hudson Valley, midway between Albany and New York City. The college’s unsurpassed location, with stunning views of the nearby Shawangunk Mountains, offers not only superb opportunities for local cultural and recreational enjoyment, but also easy access to the world-class connections of the city.

OUR MISSION

SUNY New Paltz aims to meet the educational needs of graduate, pre-professional, professional and career-changing students seeking timely, innovative, and intellectually stimulating study while providing the breadth and depth of knowledge necessary in their chosen disciplines. Whether in the classroom, in the field, or online, our graduate certificate and non-credit programs prepare students to be knowledgeable and skilled, ethical, and culturally sensitive individuals prepared to contribute meaningfully to their profession and their communities.

NATIONALLY RECOGNIZED & AFFORDABLE

The Princeton Review ranked SUNY New Paltz as one of the nation’s “Best Value” colleges and universities and included it among the Top 75 public, four-year institutions of higher education in the US. Kiplinger’s Personal Finance ranked the college in the Top 100 best values in the nation and U.S. News & World Report ranked New Paltz fourth among best public regional universities in the North with both bachelor’s and master’s degree programs.

WE HAVE YOUR PROGRAM

For the past 65 years, SUNY New Paltz has been providing graduate education, encouraging intellectual engagement, and preparing students for professional opportunities.

SUNY New Paltz offers more than fifty exceptional degree programs in business, education, computer science, engineering, fine arts, music therapy, and the liberal arts. Many of our programs offer courses online, hybrid, or in seated formats during convenient evening and weekend hours. Our classes are small and taught by scholars and artists who love to teach.
**MS IN COMPUTER SCIENCE**

The Master of Science in Computer Science provides students with a foundation for advanced professional or doctoral work in the field of computing. The program is open to students from all majors. However, students whose baccalaureate degree is not in computer science may be required to register in undergraduate pre-requisite courses. Courses are offered in programming technologies, theoretical computer science, state-of-the-art application areas and mathematics.

**THE PROGRAM**

The program consists of 30 credit hours (10 courses) and allows students to individualize their program of study. The curriculum and course offerings change to keep pace with emerging technology.

**INTERNSHIPS**

Graduate students have interned locally at IBM, Collaborate Solutions, Inc. and in NYC.

**SCHOLARSHIPS**

Advanced students may apply for a teaching assistantship (TA) in Computer Science. TAs may assist a faculty member during classroom instruction, run a lab session, or teach a course. They receive a stipend and partial tuition waiver.

---

**MSED LITERACY EDUCATION B-6**

The Master of Science in Education in Literacy Education B-6 program prepares initially certified teachers to become literacy specialists, coaches, and leaders. Teachers initially certified in any area of Elementary Education, Secondary Education, English to Speakers of Other Languages, Special Education, and TESOL are welcome to apply. Candidates receive high quality instruction from dedicated, passionate faculty who are actively involved in research and are experienced classroom teachers.

**THE PROGRAM**

Graduates of the Master of Science in Education (MSEd) program in Literacy Education (B-6) make a profound difference in a child’s educational experience. During this 36 credit program, students:

- Learn to diagnose and remediate literacy difficulties.
- Acquire an understanding of literacy demands across all disciplines.
- Become a coach, an advocate, and a literacy leader.

For students interested in working with candidates in high-needs areas, we offer clinical placements at a state-of-the-art literacy clinic in the Newburgh Central School District. Alternatively, you may work in our literacy center (newpaltz.edu/literacycenter) located on the SUNY New Paltz campus. Also, you have the opportunity to integrate your content and literacy instruction through an optional science-based literacy clinical experience.

---

“I chose New Paltz primarily for its location. As an international student from Antigua, I appreciate the serene landscape, attentive professors, scholarship availability and the opportunity to grow and develop as a student and person.”

—Dane Davis, MS Computer Science
The MBA program here at SUNY New Paltz feels like home. Many students are brilliant and friendly, so most of the time I don’t feel any culture barrier even though I am an international student. Our smaller class size gives me a chance to share my opinions, and I have easy access to my professors and advisors. They not only teach me how to study, but inspire me to challenge myself and to reach for internships and professional opportunities. —Danwei Zheng, MBA Business Administration
**MS IN COMMUNICATION DISORDERS**

The Master of Science in Communication Disorders prepares students who have strong undergraduate backgrounds in Communication Disorders for a wide range of career opportunities and for doctoral study. The program integrates clinic, classroom, and research experiences to allow students to become compassionate, knowledgeable professionals. The foundation of our pedagogy is research and evidence-based practice.

**OUR MISSION**

- Provide outstanding, affordable graduate preparation in SLP for students of all backgrounds who demonstrate academic and clinical promise.
- Engage students intellectually through innovative teaching, mentoring, and collaboration with faculty in coursework, clinical practica, and research experiences.
- Immerse graduate students in an enriching environment that encourages participation in professional development activities and service.

**THE PROGRAM**

The program is registered as licensure-qualifying in New York State and is accredited by the Council on Academic Accreditation in Audiology and Speech Language Pathology (CAA). The program offers concentrations in Speech-Language Pathology and Speech and Language Disabilities. The Speech-Language Pathology concentration consists of 60-62 credit hours. The Speech and Language Disabilities concentration consists of 68 credit hours and leads to New York State teaching certification as a Teacher of Students with Speech and Language Disabilities.

**CAREER OPPORTUNITIES**

Graduates of the Master of Science in Communication Disorders program are employed in schools, hospitals, private practices and clinics. Virtually, all graduates of the program find employment in the field, and the demand for speech-language pathologists and audiologists is expected to exceed the supply in the foreseeable future.

---

**CAS IN SCHOOL LEADERSHIP**

The Certificate of Advanced Study (CAS) in School Leadership program provides an in-depth study to prepare administrators to meet the challenges of a diverse and demanding educational environment. The Department of Educational Administration at SUNY New Paltz is an exemplary site where students can obtain the training needed to be successful school administrators and leaders.

**THE PROGRAM**

The 60 credit CAS in School Leadership consists of a School Building Leader/School District Leader joint program and a SDL Transition D program:

- The SBL/SDL Joint Program has, as its primary goal, certification as School Building Leader (SBL) and/or School District Leader (SDL). A six-credit internship which is required for New York State certification is part of this program.
- The SDL-Transition D Program is for exceptionally qualified candidate who does not have three years of classroom teaching service, pupil personnel service, or school leadership service and who has been offered a central office/district level position.
**MSED IN SECOND LANGUAGE EDUCATION (TESOL)**

SUNY New Paltz offers a Master of Science in Education (MSEd) in Second Language Education to individuals interested in working with students who are learning English as a new language. This clinically rich thirty-six credit program leads to certification (initial and professional) in English to Speakers of Other Languages (Pre K-12).

**THE PROGRAM**

The program includes core courses (12 credits), specialized courses (15 credits), and additional courses in professional education (9 credits). Instruction includes strategies in teaching English in a classroom consisting of students from different language backgrounds. Students will study with both international and American students.

**PRACTICUM**

Prior to completing the degree, students enroll in their student teaching experience. The practicum allows students to practice skills and apply course content in pedagogical problem solving, while being mentored by an alumnus of the program.

---

**MA ENGLISH**

The English Graduate Program offers a thorough grounding in literary history and theory in preparation for advanced work at the doctoral level, careers in secondary or community college teaching, and other professional opportunities. The program grants the Master of Arts (MA) degree, and in conjunction with the School of Education Master of Arts in Teaching (MAT) degree. Students may pursue a joint MA/MAT.

The MA in English program is challenging, intellectually rewarding, and wonderfully supported by its knowledgeable faculty and active graduate community. Going to class after a long day at work was something I looked forward to because the instructors and my peers were some of the friendliest, and most brilliant, people I’ve ever met.”

— Anthony Geras, MA English

**THE PROGRAM**

The program consists of 30 credit hours (10 courses) and offers a variety of classes that students may choose from to align their plan of study to their interests.

- The English Proseminar, generally taken in the first semester.
- At least one course in pre-early modern literature and/or language
- At least one course in Shakespeare
- One other course from the periods before 1800
- Three courses from the periods after 1800.
- One course in literary criticism

**PROGRAM REQUIREMENTS**

- Complete prescribed course work within seven years after matriculation
- Maintain a cumulative GPA of 3.0 or better, with no more than two grades below B-
- Present nine credits in a single foreign language or satisfactory evidence of equivalent competence.
- Satisfactory performance on the English Department’s comprehensive examination.

**SCHOLARSHIPS**

Financial support for MA students is available through Teaching and Graduate Assistantships. These competitive positions cover tuition for two courses and pay a stipend of $2,500 per semester.
MS MENTAL HEALTH COUNSELING

The Master of Science in Mental Health Counseling program serves both students looking to become licensed as mental health counselors and those seeking to eventually proceed into doctoral programs. The MS in Mental Health Counseling degree can be completed full time in two years, including summer classes. Students may attend part-time, but all degree requirements must be completed within five years after admission to degree candidacy.

THE PROGRAM

The program consists of 60 credit hours. The curriculum covers mental health counseling practice and research, in addition to necessary coursework in human growth development, social and cultural foundations, helping relationships, group work, career and lifestyle development, appraisal, research and program development and professional orientation.

INTERNSHIPS

Students complete intensive supervised practicum and internship experiences during which they actively work with clients in mental health counseling-related training settings. The counseling practicum and internship constitute the students’ primary applied training experiences and involve accruing many hours of direct client contact under supervision of trained professionals.

SCHOLARSHIPS

Students may apply for Teaching and Graduate Student Assistantships. Assistantships offer partial tuition waiver and a stipend. The New York Mental Health Counselors Association offers a scholarship award to outstanding graduates of counseling-related programs.
MS MUSIC THERAPY

The Music Therapy program at SUNY New Paltz offers students with a baccalaureate degree in Music the opportunity to study Music Therapy at the advanced level, acquiring musical, clinical, and research skills essential to professional practice.

THE PROGRAM

The Music Therapy program is built around 48 credit hours of course work for students with baccalaureate degrees in Music Therapy or the MT-BC (The Certification Board for Music Therapists).

Students with other degrees in Music must complete 16 credits of under-graduate work in Music Therapy, including:

- Introduction to Music Therapy (3)
- Music Therapy Methods and Materials (3)
- Psychology of Music (3)
- Music Therapy Practicum (3)
- Psychological Statistics (4)

ADMISSION REQUIREMENTS

1. Baccalaureate degree in Music with a minimum of 54 credits in the major
2. Passing grade on placement audition for guitar and piano accompaniment competencies
3. Passing grade on placement audition in vocal performance
4. Passing grade on placement audition in sight singing
5. Artistry on a major instrument demonstrated at an in-person (live) audition at SUNY New Paltz. (International applicants may submit a video recording on DVD as a preliminary audition submission.)

Graduate applicants are required to perform two contrasting selections on their major instrument. Additionally applicants should prepare five songs to sing while accompanying themselves on the guitar and five songs to sing while accompanying themselves on the piano. These songs should be memorized and applicants should be prepared to discuss possible clinical applications for their use. Placement exams in Sight Singing/Ear Training and Theory will be components of the audition as well.

INTERNSHIPS

Students complete two fieldwork courses, two separate internship placements and complete a thesis as part of this program. We have internship opportunities available within the Hudson Valley Region.

SCHOLARSHIPS

Advanced applicants may apply for a Graduate Assistant (GA) position within the Music Department. GA positions offer a stipend and tuition waiver in exchange for 10 or 20 hours of service per week.

I was drawn to New Paltz as an applicant because of the picturesque setting, smaller class sizes, affordability, and diversity of professors teaching in the music therapy program. As a student at SUNY New Paltz, I’ve presented at the Mid-Atlantic Regional Conference of the American Music Therapy Association and attended an advanced certification program in Neurologic Music Therapy through my involvement with the Music Therapy Club and as a Graduate Assistant in the program. I truly value the investment in my education at SUNY New Paltz and look forward to the career possibilities in my future because of this graduate program.”

—Gabrielle Bouissou, MS Music Therapy
ADMISSION REQUIREMENTS

The basic requirements for graduate admission to SUNY New Paltz include:

• a baccalaureate degree from an accredited institution
• a minimum cumulative undergraduate GPA of 3.0 on a 4.0 scale
• submission of all documentation required for application review*

*Application requirements vary by program. Please review your program’s admission criteria on our website: www.newpaltz.edu/graduate/programs

SUNY New Paltz will consider a three-year Bachelor’s degree from India as equivalent to a U.S. Bachelor’s degree if:

• The three-year degree was earned in a Class or Division I universities accredited by the National Assessment and Accreditation Council (NAAC) with a grade of A.
• All other three-year degrees from India will be considered as the equivalent of three years of undergraduate study.

ADMISSIONS CALENDAR

Adhering to your program’s admission deadline is crucial to the success of your application. Apply early to ensure timely application review and early decisions.

Applications will be accepted:

Spring (January) Admissions ...............August 1 – November 15
Summer (May) Admissions..................December 1 – May 15
Fall (August) Admissions.....................December 1 – May 15*

*Graduate programs that offer rolling admissions, will review Fall applications until August 1.

ONLINE APPLICATION DEADLINES

NOVEMBER 15 FOR SPRING
MAY 15 FOR FALL
EXPERIENCE NEW PALTZ

Class sizes are small and faculty is well trained to ensure a good relationship between students and teachers. Programs can be completed within two years for students attending on a full time basis.

SCHOLARSHIPS & FINANCIAL ASSISTANCE
To review any of these funding opportunities in more detail, please visit www.newpaltz.edu/graduate/funding.html

DIVERSITY FELLOWSHIPS

GOPW TUITION WAIVER PROGRAM
The GOPW program provides a tuition waiver for former EOP/HEOP/SEEK students. The tuition waiver covers up to 9 credits of graduate tuition plus the college fee for each semester that the student is eligible for the award. To maintain eligibility, students must maintain a minimum 3.0 GPA and enroll in at least 9 graduate credits each term. Review the eBrochure to learn more about the GOPW Tuition Waiver Program.

SOJOURNER TRUTH DIVERSITY FELLOWSHIP (STF)
The Sojourner Truth Diversity Fellowship is open to applicants from all majors holding at least a 3.0 undergraduate GPA in pursuit of their initial master’s degree, a US citizen or permanent resident, matriculated in a graduate program at New Paltz; and adequately meeting the diversity criteria set forth within the application. Review the eBrochure to learn more about the Sojourner Truth Fellowship.

SCHOLARSHIPS BY DISCIPLINE

MASTER IN BUSINESS ADMINISTRATION (MBA) SCHOLARSHIP
To recognize academic excellence and to prepare future administrators and public accountants, the SUNY New Paltz offers a limited number of scholarships to highly qualified applicants. Consideration will also be given to financial need.

MS ELECTRICAL ENGINEERING FELLOWSHIP
This fellowship opportunity is designed to recognize academic excellence of incoming students matriculated in our MS in Electrical Engineering program. Students receive a 3-credit tuition waiver in exchange for 10 hours of research assistance per week. It is available to students on a competitive basis.

MFA SCHOLARSHIP
In an effort to encourage a diverse population of graduate students, SUNY New Paltz offers a one-year out-of-state tuition waiver to all incoming MFA students who are not residents of New York State. This allows non-resident students to pay regular in-state tuition rates, saving approximately $9,800 a year. MFA students must seek and be granted New York State residency during their first year to continue to receive the in-state tuition rate. This program is available to international students who are not US citizens and enrolled in one of our MFA programs. These students may receive the MFA Scholarship rate for two years without applying for New York State residency. See Tuition & Fees Chart for rate.

THE ANDRAH MERIT SCHOLARSHIP offers a $10,000 and a $5,000 tuition waiver to recognize the exceptional talent of two incoming MFA Ceramics students. Both awards are available on a competitive basis each year.
ASSISTANTSHIPS

Assistantships are available to matriculated graduate students in good academic standing and who are making good progress toward their degree. The procedure for application for an assistantship, including the selection criteria, are established by deans and academic departments, and publicized by individual departments. Criteria for the award of an assistantship may include, but are not limited to: undergraduate grade-point average, standardized test scores, past experience or training, interest in the field of study, letters of recommendation, or personal interview.

The following departments offer assistantships during the academic year: Academic Advising, Art, Art Education, Business, Center for International Programs, Center for Student Success, Communication Disorders, Communications & Marketing, Computer Science, Engineering, English, Graduate & Extended Learning, Psychology, Residence Life, Samuel Dorsky Museum, Student Activities and Union Services, and Undergraduate Admissions. Students interested in obtaining an assistantship will find additional information on the TA/GA section on our funding page: newpaltz.edu/graduate/funding

RESEARCH FUNDING

GRADUATE STUDENT RESEARCH AND CREATIVE PROJECTS AWARD (RCPA)

The RCPA is an internal grant program for matriculated graduate students. The purpose of the program is to support and encourage research and creative projects that enhance the graduate students' professional development as they pursue their master's degree or Certificate of Advanced Study. All matriculated graduate students in good standing (cumulative GPA of 3.0 or higher) are eligible to apply for this grant. The maximum award is $400 per annum.

The RCPA offers funding for projects that occur during the Fall semester and for projects that occur during the Spring and/or Summer semesters. Applications will be collected according to the following schedule:

• Fall application deadline: October 1
• Spring/Summer application deadline: March 1
GRADUATE PROGRAMS

SCHOOL OF EDUCATION
