Office: Resnick Engineering Hall, room 204
Phone: 845-257-3772
Email: damu@newpaltz.edu

The 5-year BS in Electrical Engineering/ MS in Electrical Engineering program is to facilitate a fast-track Master of Science degree in electrical engineering. This program is open to SUNY New Paltz students who are currently enrolled in their last semester of the junior standing, pursuing a Bachelor of Science in electrical engineering.

Admission Requirements

To apply students should submit the following:

- A signed application form
- A New Paltz transcript (they are free for NP students)
- One letter of recommendation $50.00 graduate application fee

Program Requirements

To be eligible, students must have completed the first semester of their junior year in residence at SUNY New Paltz. Moreover, they must have an overall SUNY New Paltz GPA of at least 3.0. The qualified students may apply for admission to the Graduate School directly.

Curriculum Requirements

Accepted students are permitted to enroll in two 500-level graduate courses (six credits). These courses, in addition to satisfying students’ bachelor’s degree, will count toward their master’s degrees. The remaining 24 credits of the master's requirement will be taken in the fifth year of study. Once admitted to the BS/MS program, students must maintain a 3.0 cumulative GPA in all courses through the senior year. In addition, students must earn a B or better in each of the two graduate courses that they take as undergraduates. Students not satisfying these requirements will be re-evaluated for continuation in the program.
