MHSSC announces our fifth annual series of evening mentoring experiences for new (and nearly new) school administrators. These seminars are designed to give the new school administrator an important opportunity to discuss school leadership issues with accomplished school administrators. Through panel presentations, question and answer sessions, group activities, and conversations during dinner, presenters will share their experiences, insights, and guidance with those in attendance. We expect each evening program to focus on a specific topic.

Schedule of Topics

10/17/07 - Changing Negative Behaviors

Using the evaluation process to motivate the unmotivated

11/28/07 - Impacting School Culture

Promoting a positive school environment for student success

1/8/08 - Student Discipline

Using effective discipline strategies to maintain a safe building

2/27/08 - Dealing with Difficult People

How to deal with difficult colleagues, parents, faculty, and staff
