- 16:30 – EU Council Conclusions
- 18:00 – Banquet
- 21:30 – Walking Bus leaves for Hotel

### EXETER

Exeter is located in the Southwest of England. It is situated on the River Exe in the county of Devonshire. Full of character and ancient history, Exeter is still able to offer all the amenities and comforts that would be expected of a modern day city. Exeter is the capital city of Devon and provides the county with a central base for education, medicine, religion, commerce and culture. The city is also

home to the magnificent Exeter Cathedral, which dates back to Norman times.

Exeter University prides itself on being one of the top ten universities in the UK. The University is currently investing £275 million in new facilities to create a world class state of the art University. Consistently ranked highly for student satisfaction and renowned for its beautifully landscape, Exeter is a popular destination for domestic and international students.

### FACULTY ADVISERS

Throughout the course of the three day simulation, there will be several faculty panels and workshops, running parallel to the student sessions, to highlight research being done by faculty across the SUNY system and in collaboration with our European partner schools, as well as on how best to develop more teaching and learning opportunities across the system. If you would like to present a paper, propose a thematic panel, related to research or teaching on the EU, please contact the SUNY MEU Director, Kathleen Dowley at [dowleyk@newpaltz.edu](mailto:dowleyk@newpaltz.edu)

The SUNY Model European Union (SUNYMEU) is an annual simulation of the European Union organized by the Institute for European Union Studies at SUNY (IEUSS), the host campus (SUNY New Paltz), and the SUNY Office of Global Affairs.

#### **PURPOSE:**

The primary aim of SUNYMEU is to provide a framework for a simulation of a European Council meeting to better educate students about the European Union while giving them an opportunity to interact with students from EU member and candidate states.

Over 140 students, drawn from all over the SUNY system and our European partner institutions, will participate in the simulation at Exeter University 2012. Students will be assigned a role as a representative of a delegation (an EU country or the Commission), as heads of government, foreign ministers, European Commissioners, or even, for journalism majors, as members of the Press Corps. Students prepare for the simulation at their own universities with the help of faculty advisers. Additional preparatory materials will be posted to the SUNYMEU website, including the 2012 SUNYMEU Manual (Blue Book). Researching the issues of concern to their country and alter-ego roles is an important part of all students' preparatory work. In the months leading up to the summit, the Presidency team will collaborate with the country teams to develop and present agenda items and proposals for debate at SUNYMEU.

#### **FOR MORE INFORMATION**

For information regarding registration for SUNY Model European Union, the associated preparatory materials (2012 Blue Book), and scholarship information, please check the Model EU website at:
