Donate to the cause(s) most important to you! Just 7¢ per day ($1.00 per paycheck) can make a difference to those in need.

See the MULTIPLE BENEFITS below!

WHAT IS SEFA AND WHY SHOULD I PARTICIPATE?

SEFA (State Employees Federated Appeal) is managed by a committee of SUNY New Paltz volunteers. SEFA provides ALL New York State Employees (CSEA, UUP, PEF, COUNCIL 82, etc.) the opportunity to support your choice of local, national and international nonprofit organizations all year long through payroll deduction. Whether you like to donate to community service, health, environmental or other causes, SEFA offers an easy and effective way to make your charitable contributions. (Research Foundation employees can participate by submitting a one-time pledge by check to ‘SEFA’.)

Reap some of the MULTIPLE BENEFITS contributors enjoy:

• Be a part of something big, really big! Collectively we donated over $38,000 last year!
• Inclusion in 26 payday SEFA raffle prize drawings!
• Simplify your charitable giving by donating to numerous organizations through one gift.
• Research now shows that giving is good for your health and can result in a longer life!

WHAT DO I DO NEXT?

1.) Pick any agency(ies) of your choice by going to www.newpaltz.edu/sefa for the online link. You can even search by type of service provided by using the “Charity Lookup Tool” on www.newpaltz.edu/sefa.
