

**Cover Letter for Revisions to Protocols**  
(This letter should accompany the reviewer's checklist to the Principal Investigator.)

Date:

Dear:

The IRB has reviewed your application titled . At this time, modifications are required for approval and are indicated on the attached checklist.

Additional comments: (If the checklist doesn't cover everything, you may need to put any additional information here.)

Please submit revisions to the Office of Sponsored Programs within 60 days of the date of this letter. If your modifications are not received within that period, your application will be considered withdrawn.

Sincerely,

**IRB Member**

Revised: October 2003
