

Dear Perspective Members of the Greek Community,

Welcome to Greek Life at SUNY New Paltz! At SUNY New Paltz we are proud of our Greek system that fosters the development of leadership skills and enhances members' personal lives. Through the Office of Student Activities and Union Services, you will have the option of joining a fraternity or sorority after your first semester at New Paltz. This decision deserves careful consideration and attention.

Belonging to a sorority or fraternity is often one of the most positive and rewarding experiences of a student's college life. Through the participation in Greek letter organizations, students make academic success a priority, form lasting friendships, improve leadership skills, and have opportunities to unite their community to the larger world community through philanthropy activities.

At the current time, we are aware that unrecognized Greek organizations exist off campus. Please be aware that the University does not support student involvement in these organizations due to the lack of training, supervision, and oversight that they receive. Please be advised that the college does not recognize the following organization:

- Kappa Sigma

If you are seeking a Greek Life experience in the spring semester, discuss the name of the organization to confirm that we recognize the group. When in doubt, feel free to contact our office at 845-257-3025. We look forward to your support and partnership as we strive to ensure that you have a safe and enriching co-curricular experience.

Remember, **first semester, first year students are not eligible to participate in recruitment events.** Our office is always available if there are any questions or concerns on your part.

If you have any questions, please contact The Office of Student Activities and Union Services at 845-257-3025.
