Rewarding Lives. Healthy Communities.

Welcome to an agency that is passionate about supporting the families and communities of the Hudson Valley.

We have been evolving services for people facing the challenges of disability and mental illness for over 50 years.

Today ...we offer a broad range of programs and touch thousands of lives every week. Yet we always work hard to focus on the needs and potentials of one person at a time.

Our many and varied services are all focused on one goal: helping people with challenges live the fullest life possible.

We believe each of us is entitled to a voice in establishing our own life goals and strive to treat each person we assist as a partner.

We are committed to making a positive difference in the communities where we live and work.

Adoptive and Foster Family Coalition of New York

Internship
Incorporated in 1975, the Coalition unites adoptive and foster parent groups, concerned agencies, and individuals throughout the Empire State. The Coalition represents the citizen’s viewpoint and works to improve and expand the services available to children and families. Our goals are as follows. To educate and support foster and adoptive parents and professionals through information-sharing and referral. Improve services available to children in foster care and that have been adopted. Increase citizen involvement in local service planning and delivery. Require greater public accountability of the New York State Office of Children and Family Services, and other systems providing out-of-home care for children and local agencies.

www.DutchessCAP.org  
Poughkeepsie, NY 12601

Dress for Success is an international not-for-profit organization that empowers women to achieve economic independence by providing a network of support, professional attire and the development tools to help women thrive in work and in life.
Regardless of college major or professional experience, nearly 100% of our full-time employees start out in our Management Training Program. This allows everyone to learn our business from the ground up and understand how they play a significant role in seeing it succeed.

Once you've completed your initial orientation and training, you'll be assigned to a branch office in your home area and the hands-on training begins. You'll learn valuable business skills from capable mentors who were once in your shoes. Nearly 100% of all our managers and corporate executives started out as Management Trainees.

During your first year, you will actively participate in everything from sales and marketing and customer service to operations and finance. You will learn how to assist our different types of customers from insurance replacement, to corporate and retail. As you progress, you will be tested and evaluated to determine your proficiency in these areas. Successful completion of these tests and evaluations will result in rewards, pay increases and the opportunity for continued promotions.

As you progress, increasingly more opportunities will become available to you. You can choose, as most people do, to continue your rewarding ascent within our Rental Operations managerial track or you can explore one of many other exciting options including Fleet Management, Human Resources, Car Sales, Accounting, Marketing and more.

Exago, Inc. is a privately held, self-funded and profitable company in the red hot business intelligence space.

Since 2006, Exago has provided embedded business intelligence to software and service providers who want to add seamlessly integrated ad hoc reporting and interactive dashboards to their web-based applications. Exago BI gives non-technical business users complete control over their data by enabling them to create reports and dashboards on their own. A rich, open API gives host application developers the power and flexibility they need to completely customize Exago.

Our product is world class and we support it with exceptional services. Every Exago team member is genuinely committed to customer satisfaction.
Our team is smart, driven and collaborative. We share an entrepreneurial zeal and a passion for excellence. In October, 2015 Exago was named as a Tech Company to Watch by the CT Innovation Summit.

If you’re energetic, dedicated and want to have an impact on our technology, our company and our industry, please forward your resume to careers@exagoinc.com.

All positions at Exago include a competitive compensation plan, stock options and health benefits.

Hudson Valley Federal Credit Union
Accounting
Full-time
IBM Poughkeepsie Employees Federal Credit Union began in October 1963 when a group of IBM employees had a vision to create a financial cooperative for employees in Poughkeepsie and Fishkill, and their families—a vision where the needs of the individual would be placed before profit. Our product line in the beginning was modest, consisting of basic savings and consumer loans. By the end of our first year, the credit union had 14 member accounts and $172 in assets.

Our name has changed over the years, our assets, products, and services have grown. Our membership has evolved to reflect the changing needs of our surrounding community but our mission and vision remain the same. Today, Hudson Valley Federal Credit Union is a full service not-for-profit financial cooperative, 265,000+ members strong. We extend membership to our neighbors who live, work, worship, volunteer, or attend school in the counties of Dutchess, Orange, Ulster, and Putnam.

Youth Mission Outreach is a non-profit organization that is located in the heart of Poughkeepsie, NY. Our name is very symbolic of who we are: Youth – the population we serve, Mission – we have a mission to accomplish and Outreach – we are reaching out to the children and families in our neighborhood as well as training them to reach out to others. Our heart is to serve the community and we accomplish that by providing safe and loving programs that meet the needs of our youth. While each program differs in the service they provide, they all hold fast to our belief: we can inspire change through relationships.
