APPLICATION INSTRUCTIONS

1. Request ONE set of Official transcripts from all post-secondary institutions, including all transfer colleges and any college where college credit was earned during High School. If you are in the process of completing a degree, please send an official transcript that shows your current progress. You will need to submit an official final transcript once your degree has been conferred. When requesting official transcripts, have them sent to your own address. If the college or university’s policy does not permit official transcripts being sent to a student address, then use the Graduate School’s mailing address. However, clearly note in your application packet which transcript is being sent directly to the Graduate School. Transcript(s) must be in sealed envelope(s). Opened transcripts are unacceptable.

INTERNATIONAL APPLICANTS: You must provide a translation or evaluation of your transcript. We accept translations/evaluations by member organizations of the National Association of Credential Evaluation Services (www.naces.org). When requesting an evaluation, select course-by-course with overall GPA calculation.

2. Collect THREE letters of recommendation from former professors, employers, and/or colleagues who are in a position to comment on your potential for graduate study in your chosen area. Letters from former professors who taught you in advanced courses would be ideal. Using the letter of recommendation form provided in this application packet or on our website, fill out the top portion and submit the form to your recommender. Ask each recommender to seal his/her letter in a self-addressed envelope that you provide, to sign it across the seal, and to return it directly to you. Opened letters of recommendation are unacceptable.

3. Compose a Graduate Admissions Essay that clearly addresses the following:
   - What are your professional goals?
   - How have your previous experiences contributed to your decision to enter the program?
   - How will graduate study assist you in achieving your future career and educational aspirations?

Your essay should be typed, double-spaced and between 400-500 words. Since your essay provides us with a sample of your writing, it should reflect exemplary writing style, organization, and mechanics. Certain programs have specific guidelines for the admission essay; therefore, refer to your intended program of study’s description in the graduate catalog or the departmental website.

4. Assemble and submit to the Graduate School ONE complete application packet of items which include, but are not limited to:
   - Application form (completed, signed, and dated)
   - ONE set of Official college transcripts (from every college/university attended)
   - An official transcript indicating the conferral date of the degree (if you have not yet graduated, see instruction 1 above.)
   - THREE Letters of recommendation (in sealed envelopes, see instruction 2 above)
