The next few years will be filled with memorable experiences, challenges, and opportunities for personal and academic growth. Know that we have been in your shoes – new to campus, full of questions, and feeling different emotions. We are here to help with making your transition as smooth and exciting as possible.

We understand that stepping into a new community can be overwhelming at first, but SUNY New Paltz is a place where you will find your home away from home. Each of us has discovered our path here and we are here to show that you are capable of doing the same.

Orientation is just the beginning of your New Paltz journey, so make the most of it by connecting with fellow students and staff, exploring the resources available to you, and joining student organizations! Our advice? Ask as many questions as you can, introduce yourself to other incoming students, and start imagining what you want to accomplish during your time as a **Hawk**.

Welcome to the nest! We are anticipating how you will make your mark here so make this journey of yours unforgettable!

SUNY New Paltz Alma Mater

*In a valley fair and beautiful
Guarded well by mount and hill
Beats a heart whose pulse is rich and full
Of life, and pow'r, and thrill.
We love thee, Alma Mater dear.
To thee our hearts are true.
And we'll sing with voices strong and clear
To the Orange and Blue.
New Paltz, forever our Alma Mater,
We raise our song to thee.
The hills re-echo with glad crescendo
Our praises full and free.*
