Center for Student Success

Faculty Support Resources

The Center for Student Success promotes student learning, academic engagement, and timely degree completion through the coordination of peer-to-peer academic support programs.

The Center’s CRLA-certified tutoring services are scheduled to begin the second week of the fall semester (Sept 6). Suggested course syllabus text outlining the Center’s services can be found here.

Starfish Student Success Platform

Starfish connects students to their faculty, their advisors, and the resources they need to make the most of their New Paltz educational experience.

Learn about Starfish’s features for faculty and advisors, including how to set up office hours, by clicking here.

Center for Student Success

Our focus is on student learning and student success.
