

CENTER FOR STUDENT SUCCESS

SUNY New Paltz

PEER ADVISING

Academic Coaching, Advising & Registration

Peer Advisors can help you develop your academic skills including time management, study skills, and goal setting. They can also help you prepare for advising and registration meetings. Peer Advisors are available by appointment and for drop-ins.

WRITERS' STUDIO

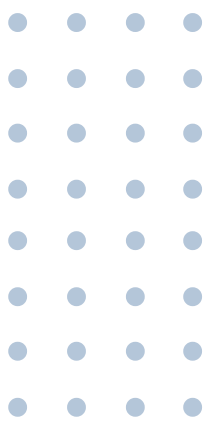

Develop Your Writing Skills

Peer Writing Consultants can help you develop and refine your writing skills. From the day you get an assignment until you are editing your final draft, the writers' studio can help you with any academic writing assignment in 1-on-1 meetings.

SUBJECT TUTORING

Small Group Tutoring Sessions

The Center for Student Success provides small group subject tutoring for a select group of historically challenging courses (view the list each semester on our website). Peer Subject Tutors will help you figure out the best way to learn the material you are struggling with for that course.

ONLINE TUTORING

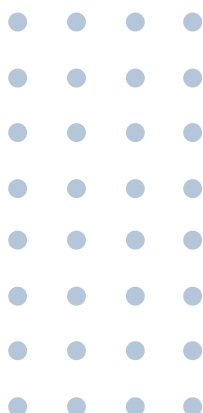

Free, Late-Night, Online

Through STAR-NY, the Center provides free, late-night online tutoring Sunday-Thursday, 7PM-12AM, through an interactive whiteboard platform. For their supported courses, please visit newpaltz.edu/studentsuccess.
