Internship Partner Program Services

The SUNY New Paltz Career Resource Center prides itself on the personal attention it provides to students, alumni and employers. By participating in the Internship Partner Program, employers will receive the following:

- Personal assistance with development of internship descriptions, programs, and projects
- Postings sent to targeted students and faculty
- Invitation to participate in the Mock Interview Program(s)
- Registration to Hudson Valley Future Summit Internship Networking Reception following fall and spring career fairs
- Internships posted on the SUNY New Paltz online job board, HawkHire
- Assigned contact person to resolve internship related issues
- Opportunity to present to one or more classrooms depending on faculty approval and employer availability
- Assistance with learning about and supporting ‘for credit’ internships

Hire SUNY New Paltz Talent

SUNY New Paltz is a highly selective university with over 6500 undergraduate and 1000 graduate students representing over 150 different areas of study. In addition, our students embody a high level of cultural, ethnic, and socio-economic diversity.
