

STUDENT CLUB VERIFICATION ROSTER CO-CURRICULAR TRANSCRIPT

- This roster should be submitted by a club President or Vice President to the Center for Student Engagement each
 academic year, or whenever there are changes to your executive board membership.
- All executive board positions listed in your club constitution should be listed here, as well as additional positions that
 demonstrate commitment to the club, personal growth, and /or hands on experience outside of general club meetings.
 Examples include, but are not limited to: XYZ Committee Chair, XYZ Committee Member, Cast Member, Competition
 Squad, Model, etc.
- General Member is not permitted to be included on a co-curricular transcript.

NOTE: Completing this form does not automatically add these experiences to a student's co-curricular transcript. A student must still submit a request to add an experience to their own co-curricular transcript.
