

2023 COMMENCEMENT
STATE UNIVERSITY OF NEW YORK NEW PALTZ
GRADUATE • MAY 19, 2023

ALMA MATER

*In a valley fair and beautiful
Guarded well by mount and hill
Beats a heart whose pulse is rich and full
Of life, and pow'r, and thrill.
We love thee, Alma Mater dear.
To thee our hearts are true.
And we'll sing with voices strong and clear
To the Orange and the Blue.
New Paltz, forever our Alma Mater,
We raise our song to thee.
The hills re-echo with glad crescendo
Our praises full and free.*

MACE & CHAIN

THE mace and chain of office were designed and created in 1981 by the late Professor Kurt J. Matzdorf, internationally known gold and silversmith and founder of the university's gold and silversmith program, now known as the Metal Program.

THESE two important insignia were donated to the University by the Alumni Association and the SUNY New Paltz Foundation.

THE mace is 38 inches long and is made of sterling silver, acrylic and rosewood. The lower end of the mace is made in the shape of a space capsule and carries the gold-plated seal of the State University of New York. The rosewood shaft, with four bands of sterling silver, is surmounted by an incised inscription, State University of New York, which supports the head of the mace. The head of the mace displays six scenes that summarize the academic activities of the college in sterling silver low relief against a blue acrylic background. Above the head, from an incised inscription reading "The College at New Paltz," arises a flame in blue and orange acrylic (the SUNY New Paltz colors) symbolizing the enlightenment to be gained from higher education.

THE presidential chain of office is 45 inches long. It consists of 10 fields of blue acrylic framed in sterling silver shaped like the contour of the head of the mace. These alternate with nine apples in red and green acrylic framed in silver indicating the principal nonacademic product of the New Paltz community. The four links in the back of the chain carry the SUNY logo in sterling silver relief.

ORIGINALLY, there were six blue links on the front of the chain corresponding to the sterling silver reliefs on the mace. Each link represents Education, Humanities and Social Sciences, Natural Sciences, Fine Arts, Performing Arts, and Graduate programs, respectively. In 2002, two blue links were added representing Engineering and Business, acknowledging the School of Science and Engineering and the School of Business. The medallion displays the gold-plated seal of the State University of New York surrounded by an incised inscription, "The College at New Paltz," against a blue acrylic background. It hangs from a center link that shows the date New Paltz was converted from an academy to a normal school, 1885.

ACADEMIC COSTUME & PROCESSION

ACADEMIC gowns represent a tradition that dates back to medieval Britain. When Oxford University was founded in the 12th century, the chancellors of the institution were representatives of the bishop. For this reason, students and faculty wore clerical garb. This eventually evolved into the familiar cap and gown. The tradition of wearing academic costumes was continued in America with the founding of colonial colleges.

EXPERTS differ on the origin of the “mortarboard” cap. Originally round, it later became square. Some say that the square shape represents a scholar’s books, while others argue that it was derived from the master workman’s mortarboard. Others say this was patterned after the quadrangular Oxford campus.

AMERICAN academic costume was standardized in 1895, with the issuing of a code of dress by Intercollegiate Commission. The code sets the styling standards for bachelor’s, master’s and doctor’s robes, and provides a color code for the hood, which identifies the degree and the institution granting the degree. The color of the border indicates the field of study, and the lining is in the official color or colors of the institution conferring the degree. As you look out across the faculty participating in today’s ceremony, you will see the various colors that represent the degrees they have received.

OUR academic procession follows what is considered to be a traditional order: The candidates for all graduate degrees are followed by the Faculty. The Faculty Grand Marshal will lead the platform party and the President of the University.

FOR all academic purposes, including trimmings of doctors’ gowns, edging of hoods, and tassels of caps, the colors associated with the different disciplines are as follows:

CORDS OF DISTINCTION

TO LEARN/TO SEARCH/TO SERVE

New Paltz recognizes candidate achievements with a variety of cords, sashes and stoles identifying a candidate's selection to honor societies representing fields of study, professional and service organizations and campus student organizations. Combined, the "cords of distinction" emphasize the diverse nature of the New Paltz student body and proudly reflect the State University of New York's motto, "To Learn, To Search, To Serve."

Alpha Kappa Delta, International Sociology Honors Society

This Honors Society was founded with the purpose of promoting scholarship and fellowship for students. It is open to students with at least a 3.0 GPA. Students wear cords of teal.

Orientation Leaders are an integral part of every first-year student's success on the New Paltz campus. Every year the Orientation Leaders are carefully selected and trained to welcome and acclimate our incoming students to their new "home away from home." The Orientation Leader remains an active part of their student's life by serving as a peer mentor for the rest of the school year. Orientation Leaders exemplify the skills of verbal communication, student leadership, team building and exceptional school spirit.

Students must maintain high academic standards, and perform community service. The honor cords represent the colors of the Society, gold, blue, and silver.

Sigma Tau Delta International English Honor Society
