ALMA MATER

*In a valley fair and beautiful
Guarded well by mount and hill
Beats a heart whose pulse is rich and full
Of life, and pow'r, and thrill.
We love thee, Alma Mater dear.
To thee our hearts are true.
And we'll sing with voices strong and clear
To the Orange and the Blue.
New Paltz, forever our Alma Mater,
We raise our song to thee.
The hills re-echo with glad crescendo
Our praises full and free.*

KEVIN R. BRYANT '93

Kevin Bryant '93 (Political Science) of Ulster Park, New York, is an accomplished attorney with more than 20 years of experience in seeking justice for clients regardless of their socioeconomic circumstances. He now serves as Supreme Court Justice in New York's Third Judicial Court. He was elected in November 2021 and sworn in at the Ulster County Courthouse in Kingston, New York, on Dec. 28, 2021.

Bryant had previously been the City of Kingston's corporation counsel since 2016 where he served as the primary legal advisor for the Mayor, the Common Council and all city commissions and departments. His responsibilities included prosecution and defense of all actions and proceedings brought by or against the city and its officers. Additionally, Kevin's office represented the Kingston Housing Authority for two years during their reorganization.

Prior to joining the city administration, Bryant maintained his own law practice from 2000-2018, where he represented clients in both civil and criminal cases. Additionally, from 2006-2015, he served as special prosecutor for six local municipalities.

Bryant's determination to make a difference in his community has been his personal goal throughout life. He attended SUNY Ulster as a three-sport athlete and worked at St. Cabrini Home in West Park where he worked with troubled youth. He was quickly promoted to a supervisory position, becoming a mentor to many of the young residents who sought his advice as they sorted through their legal and social problems. He has served on the boards of the Kingston Boys and Girls Club and the Health Alliance of the Hudson Valley.

After graduating from SUNY New Paltz in 1993, Bryant received his Juris Doctorate from Albany Law School in 1998. For the next several years he practiced law, first at the Ulster County District Attorney's Office, and then later with Kerr and Weiss in New Paltz, while also working part time for the Ulster County Public Defender's Office.

Between college and law school, Bryant married Elena Feliciano and they welcomed two children, Elisia and Kevin Jr., into their family. Today, they are proud grandparents to their granddaughter Charlie, and reside in Ulster Park with their rescue dog, Tika.

ROBERT KYNCL '95

Robert Kyncl '95 (International Relations), is an internationally recognized leader in the technology, entertainment and culture industries. Since assuming the role of Chief Executive Officer at Warner Music Group in January 2023, Robert Kyncl has overseen the company's global operations, including its Recorded Music division and Warner Chappell Music publishing arm. He previously served for more than a decade as Chief Business Officer at YouTube, where he played a central role in defining the company's strategy and leading its impact on entertainment and culture, driving the development and expansion of YouTube's creator, artist and media company ecosystem, and helping launch its paid subscription services.

Kyncl met his wife, the psychotherapist Luz Avila Kyncl '96 (Psychology), at SUNY New Paltz and together they have shown a strong commitment to creating opportunity for students at their alma mater, with particular focus on demographics that have been traditionally underrepresented in STEM fields. They established the Robert Kyncl '95 and Luz Avila Kyncl '96 Computer Science & Engineering Scholarship Fund in 2018, and in 2023 they renewed their pledge to the University for an additional five years. The Fund offsets tuition costs for students, especially women and minorities, seeking careers in science, technology, engineering, mathematics and related industries. The program's success has also led to the creation of the University's Kyncl Scholars, a group of students who, having been supported by the Fund, have achieved their educational goals and are building influential careers in their chosen fields.

Beyond their philanthropic support, the Kyncls have donated time and energy to engaging directly with SUNY New Paltz students on campus. Among other activities, Robert gave an insightful talk on technology, media and culture as the spring 2016 Distinguished Speaker, and Luz has served as a featured presenter at the Women's Leadership Summit and at the Educational Opportunity Program Conference. Together, Luz and Robert run the Kyncl Family Foundation, focused on education in traditionally underrepresented communities.

MACE & CHAIN

THE mace and chain of office were designed and created in 1981 by the late Professor Kurt J. Matzdorf, internationally known gold and silversmith and founder of the university's gold and silversmith program, now known as the Metal Program.

THESE two important insignia were donated to the University by the Alumni Association and the SUNY New Paltz Foundation.

THE mace is 38 inches long and is made of sterling silver, acrylic and rosewood. The lower end of the mace is made in the shape of a space capsule and carries the gold-plated seal of the State University of New York. The rosewood shaft, with four bands of sterling silver, is surmounted by an incised inscription, State University of New York, which supports the head of the mace. The head of the mace displays six scenes that summarize the academic activities of the college in sterling silver low relief against a blue acrylic background. Above the head, from an incised inscription reading "The College at New Paltz," arises a flame in blue and orange acrylic (the SUNY New Paltz colors) symbolizing the enlightenment to be gained from higher education.

THE presidential chain of office is 45 inches long. It consists of 10 fields of blue acrylic framed in sterling silver shaped like the contour of the head of the mace. These alternate with nine apples in red and green acrylic framed in silver indicating the principal nonacademic product of the New Paltz community. The four links in the back of the chain carry the SUNY logo in sterling silver relief.

ORIGINALLY, there were six blue links on the front of the chain corresponding to the sterling silver reliefs on the mace. Each link represents Education, Humanities and Social Sciences, Natural Sciences, Fine Arts, Performing Arts, and Graduate programs, respectively. In 2002, two blue links were added representing Engineering and Business, acknowledging the School of Science and Engineering and the School of Business. The medallion displays the gold-plated seal of the State University of New York surrounded by an incised inscription, "The College at New Paltz," against a blue acrylic background. It hangs from a center link that shows the date New Paltz was converted from an academy to a normal school, 1885.

ACADEMIC COSTUME & PROCESSION

ACADEMIC gowns represent a tradition that dates back to medieval Britain. When Oxford University was founded in the 12th century, the chancellors of the institution were representatives of the bishop. For this reason, students and faculty wore clerical garb. This eventually evolved into the familiar cap and gown. The tradition of wearing academic costumes was continued in America with the founding of colonial colleges.

EXPERTS differ on the origin of the “mortarboard” cap. Originally round, it later became square. Some say that the square shape represents a scholar’s books, while others argue that it was derived from the master workman’s mortarboard. Others say this was patterned after the quadrangular Oxford campus.

AMERICAN academic costume was standardized in 1895, with the issuing of a code of dress by Intercollegiate Commission. The code sets the styling standards for bachelor’s, master’s and doctor’s robes, and provides a color code for the hood, which identifies the degree and the institution granting the degree. The color of the border indicates the field of study, and the lining is in the official color or colors of the institution conferring the degree. As you look out across the faculty participating in today’s ceremony, you will see the various colors that represent the degrees they have received.

OUR academic procession follows what is considered to be a traditional order: The candidates for all graduate degrees are followed by the Faculty. The Faculty Grand Marshal will lead the platform party and the President of the University.

FOR all academic purposes, including trimmings of doctors’ gowns, edging of hoods, and tassels of caps, the colors associated with the different disciplines are as follows:

PHOTOS & ETIQUETTE

TAKING PHOTOS

Today is a special day for everyone, and we're all proud of our graduates. By sitting down immediately after you photograph your student or staying clear of the procession route and stage, you will not be blocking the view of your fellow guests. SUNY New Paltz thanks you in advance for this act of kindness.

STUDENT ETIQUETTE

This is a special day for all graduates, family, and friends. Please help us honor all members of this year's graduating class by encouraging your student to stay through the entire commencement ceremony. This expectation is a courtesy to all students, especially those whose names are called later in the program.

WATER DONATED BY

Campus Auxiliary Services Board of Directors voted in 2015 to stop the sale of bottled water on campus for sustainability purposes. The one exception is large events such as commencement, where health and safety reasons might be a concern.
