About Lambda Pi Eta

Lambda Pi Eta (LPH) is the National Communication Association's official honor society at four-year colleges and universities. LPH has more than 500 active chapters nationwide. LPH became a part of the National Communication Association in 1988, and the association's official honor society in July 1995. It is a member of the [Association of College](#) (ACHS). LPH represents what Aristotle described in *Rhetoric* as three ingredients of persuasion: logos (Lambda), meaning logic; pathos (Pi), relating to emotion; and ethos (Eta), defined as character credibility and ethics.

Lifetime membership in Lambda Pi Eta (for a one-time fee of \$52.50) grants students access to the LPH networking & job resources, scholarly publications and conferences, and newsletter "Simply Speaking." Full benefits can be found on the [LPH website](#). The membership fee covers the cost of the induction ceremony, an honors cord to wear with your graduation gown, a lapel pin and certificate of achievement in addition to lifetime membership.
