

Please indicate the accommodations being requested and complete the information regarding the disability and need for the accessible housing accommodations in the space below:

All sections must be completed by the treating Physician or Clinician. Please type or print your responses in the boxes below.

Please indicate the accessibility accommodation being requested and why this accommodation is <b>necessary</b> to address the symptoms of the disability – <b>The accommodation must be necessary</b> , not just desired or a preference.
Presenting Symptoms of the Disability
Functional Limitations caused by the Disability
How the Accommodation will mitigate symptoms
Please explain why the student will not be able to use and enjoy the residence hall without this accommodation and give details regarding the <b>connection between the diagnosis/symptoms and the need for an accessible alternative housing assignment.</b>

**Please Read this before signing:**

You understand that by completing and signing this form you are certifying the accommodations are necessary and directly related to the symptoms of the identified disability and that due to the disability, the student is unable to live in a traditional residence hall placement.

**CERTIFICATION of the Disability and Need for Accessible Housing Accommodations** – To be completed by the Medical Professional certifying the disability and need for the accessible accommodations.
