Re: Hausbrouck Complex Building Names

February 12, 2019

On behalf of the Department of Communication at SUNY New Paltz, I am writing to respectfully request that the College Council opt to change the names of the buildings in the Hasbrouck complex. The entire campus community has carefully considered this issue. As you are likely aware, students, faculty, and the college administration have all concluded that it is in the best interest of the college to make this change. We share this perspective and feel very strongly that the buildings on campus should reflect and respect the diversity of our community.

Thank you for your consideration.
