EOP STUDENT ORIENTATION AND ADVISEMENT
Congratulations on your acceptance to the State University of New York at New Paltz!

Welcome to our Community! The entire Orientation Staff is planning for your arrival on campus this summer, and we look forward to meeting you. This brochure outlines the Orientation program, which provides a meaningful and successful beginning to your college career.

This program is your first step in becoming a student, offering a variety of resources to support your transition into New Paltz and introduces you to the academic and social life it has to offer. During the program and throughout your first year, Orientation Leaders will serve as your mentors and guides. They are excellent sources of information, have had their own unique college experiences, and will be happy to answer your questions throughout Orientation.

It always takes awhile to find your way around a new place. Student Orientation and Advisement will help you make the most of four days on campus. Living in a residence hall, learning about your academic requirements and responsibilities, and connecting with faculty and advisors are just the obvious reasons that Orientation is essential for first-year students. Research has shown that Orientation is a critical factor for future success at college. The reason we have developed our award-winning program is based on national data that shows students are more likely to stay in college, be satisfied with their experiences, get better grades, and be more likely to graduate as a result of Orientation.

Your arrival at New Paltz for Orientation and again when you officially ‘move in’ on August 23 will mark the beginning of a significant journey. We are here to make sure your experience is a positive one and to help you soar!

Once again, I look forward to meeting you and warmly welcome you to our New Paltz Community.

Sincerely,

Michelle C. Combs
Director of Student Development

Antonio Bonilla
Director of EOP

Orientation Sessions and Dates
All sessions run from check-in on Monday from 9–10:15 a.m. until approximately 4 p.m. on Thursday.

I June 25–28
III July 9–12
IV July 16–19
Now that I’ve stayed on campus, I feel I will be living and learning in a safe environment. I liked staying in the residence hall, eating in the dining hall and making new friends.”
Parents, siblings and extended family members play a vital role in a student’s transition into the New Paltz community. Because this time can be both exciting and challenging for the entire family, we offer an Orientation for parents and family members running parallel to the Student Orientation. Even if this is not your first child going off to college, a parent getting to know the campus environment, people and services at New Paltz is a worthwhile experience.

Meet with Representatives from Academic and Student Affairs
Get your questions answered by staff from Student Accounts, Financial Aid, Counseling, Health Services, Safety, Career Resource Center, Meal Plan/ID card office and many others!

Get to know New Paltz!
Enjoy off-campus excursions to Huguenot Street (the oldest street of stone houses in America) or a local winery and Mohonk Mountain House (a national historic landmark). (Free time, on-campus fitness and local options are available.)

Talk to other parents about what you have in common
We typically have between 100 and 150 parents participate in Orientation each week. Spend some time chatting with other New Paltz parents about your experiences or concerns.

Participate in the fun-filled lip-sync competition
Want to have some fun? Before you watch your student get on stage, entertain them with a little lip-syncing yourself at our fun-filled lip sync event!

Have the option to experience residence hall life
Many family members stay on-campus, experiencing a bit of campus life in a basic, air-conditioned residence hall room.* These accommodations are quite popular with parents, but for those who prefer off-campus lodging, please see the page on “Making Reservations for Your Session.” A description of available options for the parent program is on page 10.

Note: Those who pay for Orientation receive a name tag to enter each session of the program. Those who do not pay in advance are welcome to stay through the Official Welcome which ends at noon.

*Special Note: This year, the Parent and Family program’s residence hall is approximately a 5–10 minute walk from the various program locations. As parking near some buildings may be limited, participants who choose to stay on campus are advised that A FAIR AMOUNT OF WALKING IS INVOLVED.
Why do I need to attend Orientation?
Orientation is an essential part of entering college and registering for classes. It is necessary for all incoming New Paltz freshmen to attend a session. New Paltz has a 99% attendance rate for Orientation.

How long does the program run?
The program includes 4 days of jam-packed required activities, so it is essential that students select a session for which they can make the 4 day commitment. Check-in at the residence halls is between 9 a.m. and 10:15 a.m. on Day One. If you are traveling by bus, information on Adirondack Trailways will be included in your Confirmation Packet.

Do students attend the Orientation program with family members?
We encourage family members to attend Orientation. It is a great opportunity for family members to meet important campus contacts, have all of their questions and concerns about college addressed, and partake in leisure activities. About 50% of students are accompanied by family members. However, students participate and immerse themselves in their program which is separate from the Parent and Family Program. Dinner on Day Three is the only part of the program where the student and parent program formally overlap. Siblings who participate must be over the age of 18 or accompanied by an adult. Please be advised that there is not a special program for siblings.

How is the Parent and Family Program structured?
The program runs parallel to the Student Orientation and provides a separate forum for family members to experience the same content as the students while being parent-family specific. Student Orientation groups are designed to encourage social bonding between incoming students; therefore, all guests follow the Parent and Family program and overlap with their students for one meal and one activity. Parents and family members, including siblings and other guests, reside in a separate residence hall from the students. The Parent and Family Residence Hall is air-conditioned. Please see special note on page 4.

Is the housing for family members separated by gender?
If members of the same family attend together, they will be housed together (if two members of a family need separate accommodations, please be sure to indicate.) Every effort will be made to give family members attending alone their own room, as space allows.

What if a parent cannot attend the entire program?
A parent can choose to attend either Day Two or Day Three of the program. The Day Two plan only includes lunch. NO MEALS are included in Day Three or Day Four. Meals can be purchased on a cash basis. If parents choose to “split” a session, an administrative fee of $15 may be added.

I live in the Hudson Valley. Is it necessary for my student to stay on campus overnight?
Many mandatory meetings, activities and informal advising sessions take place late into the evening. For the student’s social adjustment, we strongly urge every student participating to stay on campus, even if they reside in New Paltz.

“Orientation is laid back, friendly and fun. It made my college adjustment a much smoother process, teaching me the ins and outs of classes, programs, registration...not to mention the campus.”

“A fantastic program from head to toe! The energy, enthusiasm and caring attitude of all the staff was reassuring and engaging. Go New Paltz!”

— Parent Participant

Students and family members will be participating in two SEPARATE programs and staying in SEPARATE buildings.
COMMONLY ASKED QUESTIONS

Do you award credit for AP courses?
Students who receive a score of 3 or better on an AP subject examination will receive either a course-to-course credit or elective credit, depending on the individual department policy. You must request that College Board send your AP scores directly to the Office of Undergraduate Admission by the mid-point of your first semester at New Paltz in order to receive credit.

Do you award credit for IB courses?
Students who receive a grade of 5 or better in an IB Standard or Higher level course will receive either a course-to-course credit or elective credit depending on the individual department policy. You must request an official IB transcript from the IB Group be sent directly to the Office of Undergraduate Admission by the mid-point of your first semester at New Paltz in order to receive credit. Students who earn a 24 or better on the IB diploma are eligible to receive up to 30 college credits.

What if I’ve taken college courses during high school?
New Paltz will accept college courses from accredited colleges for which you have received a “C” or better. Official transcripts from the participating college(s) must be sent directly to the Office of Undergraduate Admission by the mid-point of your first semester at New Paltz in order to receive credit.

Will I receive any further information regarding Orientation?
Once you have returned your reservation form with payment, you will first receive an e-mail confirming the dates of the session to which you have been assigned. A few weeks prior to the session, you will receive a confirmation packet with a checklist of what to pack, directions to the campus and further information on the program.

When is the Health Report and Proof of Immunization Form (signed by a physician) due?
This information should be received at least 30 days prior to your arrival on campus. The Student Health Service strongly recommends that you schedule a physical with your Primary Care Provider as soon as possible, you may have to wait several weeks to get an appointment. The ‘Demographics’, ‘Health History’, ‘Meningitis Vaccination Response Form’ and Tuberculosis Screening form (pages 1–4 of the Health Report) should be completed by the student or parent prior to the appointment. Your provider should complete the Medical Assessment and provide documentation of your immunizations (pages 5 and 6 of Health Report). Please mail, fax, or email the completed Health Report to the mid-point of your first semester at New Paltz in order to receive credit. NYS law requires all students to submit proof of proper immunization for Mumps, Measles and Rubella or proof of immunity by blood titer. Students must also show proof of a meningitis vaccine within 5 years or complete a waiver form. Returning the completed Health Report will fulfill this requirement and allow you to register for classes. The Health Report can be downloaded from the SUNY New Paltz website by navigating to the ‘Student Health Service’ and choosing the ‘Forms’ link.

When will I receive official Financial Aid award information?
Preliminary financial aid notifications are sent to accepted students beginning February 1st, with the official notifications being sent to deposited students who have submitted all required documents starting May 1st. Families are encouraged to visit www.newpaltz.edu/financialaid for additional information.

When is final payment due for tuition, housing, meal plan and associated fees?
Once a student registers for classes, a bill will be generated. You can access your bill and accept your charges online at my.newpaltz.edu. Billing is only done online through your my.newpaltz.edu account. Paper bills are not mailed. The bill will include your financial aid package as payment, or you may need to request a deferral of payment if your financial aid package is not complete. Additional details about your financial aid and bill will be discussed at Orientation.

When will I find out information about fall housing?
During Orientation, information about housing options will be reviewed with you. Please note: If you plan to live off-campus, you must receive pre-approval from the Department of Residence Life before you can sign up for Orientation. For further information on housing, please contact their staff at 845-257-4444.

Will Orientation fees be refunded if we have to cancel?
Refunds can only be issued if we are contacted at least 72 hours before your session begins. Please call 845-257-3088.

“The campus is less foreign to me now. In August, I saw familiar faces, was ready to balance academics and friends, know the resources available to me and things there are to do.”

“After attending Orientations at three other colleges, I can honestly say that the one at New Paltz is the best. Students and parents are supplied with everything they need to make freshman year and beyond a big success. An invaluable experience I don’t think how any parent could miss.” – B. Robinson, parent of Christopher Chaplin

**Other Dates to Keep in Mind**

- **August 23**: New Student Move-In Day and Kick-Off Program for Orientation Part II
  - Residence halls open for first-year students at 10 a.m. and the college community greets and directs everyone to their new “home away from home.” Students meet their groups for their first dinner on campus and attend the kick-off program together.

- **August 24**: Orientation Part II and Fall Convocation
  - Students continue the Orientation process through attendance at academic programs and at introductory receptions where they will have the opportunity to meet faculty in their discipline. All new students attend Fall Convocation, an annual ceremony marking the student’s new academic journey.
