- □ Yes, process my federal direct loan(s) for Summer 2019 student must accept loan(s) on my.newpaltz
- $\hfill\square$ No, I do not wish to receive a federal direct loan for Summer 2019

NOTE: Most students who receive direct loan funds for summer will see a **reduction** in their direct loan amounts for future semesters of the 2019-20 academic year.

Pell Grant Recipients will automatically be awarded Pell for Summer 2019 if eligible.

Beginning with the 2017-18 award year, students may be eligible to receive up to 150 percent of their Scheduled Award for an award year. This provision is called Year-Round Pell. It's called "Year-Round" because it allows students to receive additional Pell funds. Prior to Year-Round Pell, the student's Pell grant amount for the following Spring semester was often reduced by the amount received in the Summer term.
