The 2021-22 FAFSA requires families to provide income information from the 2019 tax year. If there has been a significant change in income since 2019, use this form to request a review of your current income situation. Forms submitted without appropriate documentation will not be considered. **You will need to provide a signed cover letter that explains your change in circumstances and complete the Projected Income/Benefits section of this form.** Adjustments will not be made if the maximum grant aid is already being received. Additional documentation may be requested. *There is a deadline of 12/31/2021 for submission of this form.*

Please indicate who the special circumstance pertains to: \_\_\_\_\_

**Statement of Clarification:**

All of the information on this form is true and complete to the best of my knowledge. If requested, I agree to provide further documentation to substantiate the information provided. I understand that all special circumstances are reviewed on a case by case basis and this written request may not result in a change of the financial aid already offered. Requests should allow approximately 4 weeks for processing time and they do not extend the payment deadline for billing purposes. I understand this form only applies to Federal financial aid and it cannot be used to change state aid programs such as TAP, SUNY Tuition Credit, or Excelsior. Decisions are final and will be communicated to the student.
