STEP 2: Financial Aid Request

Check one of the boxes in the Housing Plans and Loan sections below – **PLEASE DO NOT LEAVE BLANK**

SUMMER HOUSING PLANS: at home with parents on campus off campus

Federal Direct Loan Recipients:

- Yes, process my federal direct loan(s) for Summer 2023 - student must accept loan(s) on my.newpaltz
- No, I do not wish to receive a federal direct loan for Summer 2023

NOTE: Most students who receive direct loan funds for summer will see a **reduction** in their direct loan amounts for future semesters of the 2023-24 academic year, since the yearly allocation will be divided in thirds.

Pell Grant Recipients will automatically be awarded Pell for Summer 2023 if eligible.

All matriculated students who attend the summer term will be considered for a summer Pell payment if they have a Pell eligible EFC, regardless of the number of credits they are enrolled for. Pell payments will be prorated according to enrollment levels. Students should complete the Summer Aid Application to initiate the process of evaluating eligibility.

Students may be eligible to receive up to 150 percent of their Scheduled Award for an award year. This provision is called Year-Round Pell. It is called “Year-Round” because, typically, it allows students to receive Pell funds in summer in addition to the amount received for fall and spring semesters.
