WALK OF HONOR

DONOR LIST

New Paltz
STATE UNIVERSITY OF NEW YORK

THE SUNY NEW PALTZ WALK OF HONOR

celebrates and pays tribute to the alumni, faculty, staff,
parents and many friends who have spent
part of their lives at New Paltz.

The SUNY New Paltz Foundation's Walk of Honor is located near Hopfer House and behind the Student Union. The tribute bricks surround the "Large Hybrid," a sculpture created by renowned artist Richard Hunt and given to New Paltz by the Dorsky Gallery Curatorial Programs in 2002.

Hunt was awarded the Lifetime Achievement Award by The Dorsky in 2023, and his distinguished art career spans nearly seven decades. At the age of 35, he became the first African American sculptor to have a retrospective exhibition at the Museum of Modern Art (MoMA). He has held more than 150 solo exhibitions and is represented in more than 100 public museums across the globe. Hunt has made the largest contribution to public art in the United States, with more than 160 public sculpture commissions gracing prominent locations in 24 states and Washington, D.C. He has been a central figure in Civil Rights-era action and has commemorated many African American icons. His body of work explores themes of the African diaspora, African and Western art, mythology, and Hunt's own ancestry, especially in relation to growth, expansion, freedom, movement, and flight.
