Student Health Insurance Plan 2019-20

The end of summer is approaching and time to get ready for the fall. If you have enrolled in the Student Health Insurance or plan to enroll, please be aware of the following changes from last year.

First, if you enroll in the plan through Student Accounts before the semester begins, our servicing broker [Haylor, Freyer & Coon](#) will add you to the health insurance roster and you will be ready to use the plan when it becomes active on August 20, 2019.

Second, [Haylor, Freyer & Coon](#) is still our servicing broker but this year United Healthcare has replaced CDPHP as the insurance company providing coverage from August 20, 2019 to August 19, 2020. Your insurance member ID number will be a unique number; it will no longer be the same as your SUNY New Paltz ID number. Once you are enrolled, you will be able to print your insurance card which will include your policy number and member ID information. You will be able to access your insurance card by following the directions at the following link: <https://idp.uhcsr.com/core/TieAccount?signin=75f24cdf95818e93ec8cb2e55db83602> You will only be able to print your insurance card *after* you have been enrolled into the plan.

Third, only full-time students and their dependents may enroll in the plan this year.

Below are some highlights of the plan and a comparison to last year's plan:

- Cost \$2,425 per academic year (last year \$2,574)
- Deductible \$250 (same as last year)
- Office visits PCP or Mental Health \$25 copay (last year \$20)
- Office visits specialists \$25 copay (last year \$40)
- Hospital inpatient medical/mental 20% coinsurance (same as last year)
