

SEPARATION PROCEDURES AND SIGN-OFF

Employee _____ Department _____

Date of Separation _____ Reason for Separation: Resignation Retirement Terminated

This form must be completed for all employees separating from service on the State payroll. The separating employee must return all property belonging to the College and/or grant sponsor, and all outstanding charges must be paid to the appropriate offices prior to separation.

It is the responsibility of the immediate supervisor to initiate this form prior to the employee's last day on campus.

The supervisor must notify the offices listed that the employee will be separating from service, and get that office's verification that all outstanding items have been returned or cleared. The "Initials" column may be completed by the supervisor or by a representative of the department receiving the item.

When all items are cleared, the supervisor and the employee both sign and date the form. The form and all corresponding documentation must be returned to the Internal Controls Office (HAB 302) no more than 10 business days after the employee's last day on campus. (Note: If any item(s) cannot be completed, this should be indicated on the form and Internal Controls will follow up.) Please keep a copy for yourself.
