CONSENT FOR MEDICAL CARE: To the Parents/Guardians of Applicants Under 18 Years of Age Only

In order to procure any necessary medical care and to protect the clinicians and institutions involved, please sign the consent for medical treatment below. We make every effort to notify parents/guardians in case of major injuries or serious illnesses.

I (print full name) ____________________________, pursuant to the authority vested in me as the parent/guardian of (student's full name) ____________________________, do hereby authorize the clinical staff at SUNY New Paltz's Student Health Service to provide routine medical care to my son/daughter. This care may include treatment of common illnesses, physical examinations for sports preparation, ordering of laboratory tests, prescribing of medications and the administration of immunizations to meet New York State immunization requirements. Furthermore, I do hereby authorize the clinical staff at New Paltz to seek emergency medical care from outside the clinicians if they feel it is necessary.

I understand that if my/son daughter participates in intercollegiate athletics, information about his/her medical condition and/or insurance coverage may need to be shared with the athletic training staff in order to ensure his/her safe participation in athletics. Any medical information not directly related to athletic participation will be kept confidential. My signature below includes authorization to release information to the athletic training staff as outlined above.

I understand I am free to withdraw this consent, in writing, at any time.
