Fall 2022
Hudson Valley, NY chanteuse Sarah Perrotta’s alluring voice and thoughtful piano driven songs navigate the depths of jazz complexity dressed in pop sensibility. Perrotta released her fourth album of art-rock/dream-pop entitled Blue to Gold in 2021 with Third Star Records/7D Media and 8 Hours Records. Several years were spent crafting the sonics and songs of this stellar album with legendary drummer/producer Jerry Marotta (of Peter Gabriel, Hall & Oates, Sheryl Crow) at the iconic Dreamland Recording Studios in the Catskill Mountains. Born into a musical family, Sarah Perrotta has been singing and composing music on the piano since early childhood. She has performed and recorded with notables Tony Levin (King Crimson, Peter Gabriel), Garth Hudson (The Band), Sara Lee (The B52s, Gang of Four), Robert Greenall (The Fixx), Gerry Leonard (David Bowie) and many others. Tonight’s string arrangements were scored by Italian film composer Enzo DeRosa for Perrotta’s Blue to Gold album (available on vinyl, CD and digitally).
