How safe is campus?

SUNY New Paltz is a safe campus when students use common sense and the services provided. We believe that an informed public is a safety conscious public. For campus crime statistics please see the Annual Security report published yearly by our department. You can view this report on our website or pick up a copy at our station.

How will I be notified if an emergency occurs on campus?

- The primary method is NP Alert. SUNY New Paltz students, faculty and staff can receive a phone call, text message, and/or e-mail in the event of a delay or cancellation due to inclement weather or on-campus emergency. You need to make sure you are signed up! Visit the college's website for more info.
- Listen for outside audible speaker alerts over the college's mass notification speaker array system.
- Check the college's digital signage large screen TVs that are being installed in select buildings throughout the campus.
