4/22 - 4/23

**NY STATE POLITICAL
SCIENCE ASSOCIATION
CONFERENCE**

Here at SUNY New Paltz.

Go to this!

Juniors and Seniors - The NYSPSA Conference hosts two workshops specifically for undergraduates thinking about publishing and grad school. Both facilitated by Julia Schwarz, the Program Coordinator from the American Political Science Association

Getting Ready for Graduate School

Saturday, 12:30 HUM 211

This workshop is for students considering graduate school. Topics include how to choose a school, differences between MA and PhD programs, tips for application writing, the admissions process, and the importance of funding. A Q&A session will give students a chance to raise questions.

How to Present at an Academic Conference

Saturday, 2:15 HUM 211

This workshop is for undergraduates who want to learn how to present papers at an academic conference. Topics include how to turn a class paper into a conference paper, tips for an effective presentation, and an overview of conferences in the discipline. A breakout session will allow students to practice creating an outline of a presentation and providing feedback to their peers.

Fall Schedule

Get an Advantage in the Junior Seminar

The PSIR Department offers its first Junior Seminar this fall (MR 2:00-3:25)

POL390, the Junior Seminar, will be useful for students taking the senior seminar in the spring. In response to student concerns about being overwhelmed in senior seminars and not feeling sufficiently prepared, Professor Lefkowitz proposed developing junior seminars, classes specifically designed to prepare students for success in senior seminars. His junior seminar in the fall will focus on practical research skills, including collecting data and managing and analyzing datasets. Professor Kassop will teach a Junior Seminar in the spring.

Trips

Go to the United Nations

SA APPROVED

SUNY New Paltz Economics Club

Trip to United Nations

Thursday, May 5th 2016

Admissions: \$10.00

Depart from New Paltz:	9:30AM
