Avoid delays!

A little planning goes a long way in helping you to avoid common obstacles to successful registration.

- Graduate students start registering today, **November 7**
- Resolve any account holds. Go to [my.newpaltz.edu](#) > **General** > **Holds**
- Meet with your advisor and get clearance to register

Create your spring 2023 schedule and register

My Schedule Planner is the program you use to plan your schedule, register for courses and change your schedule, during registration. Go to [my.newpaltz.edu](#) > **Registration** > **My Schedule Planner**

Easy to Add Classes using CRN

- Students can create a schedule using just the course CRN
- Once registered, students can add courses by CRN to an existing schedule

Vaccine Compliance for *in-person* Classes

The COVID vaccine mandate is in-effect for all SUNY students to enroll for in-person classes. If you have uploaded your vaccine documentation in the vaccine portal, there is nothing further to do. If you still have documentation to submit or are unsure, go to [my.newpaltz.edu](#) > **View Your COVID-19 Profile**

Students who do not upload the required documentation will be blocked from enrolling for in-person classes. These students will only have access to fully online classes.
