

Please read and acknowledge the following: Submitting this form after the course withdrawal period has begun will result in a "W" grade for your classes unless a grade has already been awarded.

The New Paltz transcript will include a notation for the leave of absence.

You may exhaust your grace period for student loan repayment if you take a leave of absence.

Federal Aid may be adjusted based on the percentage of the semester completed, possibly resulting in a balance being owed to the College. This is known as a Title IV Recalculation. Future federal aid may be affected by excessive "W" grades. Consult with Student Financial Services, WH 124, for detailed information on the effect of your leave or withdrawal on your progress towards degree and aid eligibility. Direct Loan borrowers must complete exit counseling with Student Financial Services or online at studentloans.gov.

Excelsior Scholarship recipients may lose eligibility for the current or future semesters, depending on the timing and circumstances of the leave. Consult Student Financial Services for additional information.

Students who receive support from the Tuition Assistance Program (TAP) should contact the Office of Student Accounts to determine the financial impact of the Leave of Absence.
