Window Size: 85"(W) x 58"(H) Closet Door: 49"(W) x 88"(H)
 L = Lamp CH = Chair WB = Waste Basket RB = Recycling Bin

NOTE: The above diagram shows a standard three-bedroom suite. Peregrine Complex buildings also house one-bedroom, two-bedroom and four-bedroom suites.

There are suites where one of the bedrooms is set up as a designated triple occupancy room. Because the same rooms will be used as triples every year, all triple furniture shall remain in designated triple rooms even when there are less than 3 people living in those rooms.
