- All other students

***Check-in at your residence hall between \textbf{10am – 5pm, or 8:30pm – 11pm}.

Students who are \textbf{campus employees} or \textbf{members of organizations} that need to arrive earlier will be notified of their move-in dates and times by their department.

\textbf{Student athletes} who play on teams that need to arrive early will be notified by their coach. Please be advised that only some teams arrive early. If you are not sure whether your team needs to arrive early, please check with your coach.

\textbf{ALL STUDENTS WILL RECEIVE AN EMAIL WITH MOVE-IN INSTRUCTIONS THE FIRST WEEK IN AUGUST}
**Move-in Help**
Friends and family members are welcome to assist you during your move-in day. If your helpers are fully vaccinated*, they may enter the residence hall with you and will not be required to wear a mask. If your helpers are **not** fully vaccinated, they may enter the residence hall with you but **will** be required to wear a mask at all times while inside the residence hall (e.g., hallways, elevators, stairwells, lounges, bathrooms, bedrooms, etc.).

* Helpers are considered fully vaccinated if they have received both shots of a two-shot sequence (Moderna or Pfizer), or the single-dose Johnson & Johnson vaccine, and at least two weeks have passed after the final dose.

**What to bring/Prohibited Items**
Please do not make any major purchases prior to August.

- Over the past several years, fire and health and safety regulations for state-owned and operated facilities, like state college residence halls, have gone through many changes to help ensure the safety of everyone living and working in those facilities.

- Our Fire, Health, Safety Regulations, and Prohibited Items List document is updated each summer (or when necessary), as new guidelines and items are added by the state, and/or by the Environmental Health & Safety Office.

- You will receive an updated version of the Fire, Health, Safety Regulations, and Prohibited Items List document, as well as a Packing List highlighting items you should consider bringing, the first week of August.

**Resident Vaccination Requirement**
Your eligibility to live on campus is dependent on your adherence to the resident vaccination policy.

Please refer to and follow all instructions within the recent announcement you received from the college regarding resident vaccination requirements and procedures.
