

Student Achievement Information

With strong academic advising and clearly defined curriculum requirements, the School of Business enjoys above average graduation rates and student retention rates. Over the past two years, our average first year retention rate is above 90% for first year students, and 89% for new transfer students. Our graduation rate is 71% compared with 56.5%, the national average for students at public institutions.

73% of our students find a job within 3 months of graduation, with about 14% planning to attend graduate school rather than seeking employment immediately.

Our alumni can be found in leading organizations around the world, including PWC, KPMG, Deutsche Bank, Citigroup, UBS, General Electric, IBM and more.
