418	HOLLOW SQUARE WITH THEATRE EXTRA	60	75	

The following is a photo with room information for each meeting room in the SUNY New Paltz Student Union. The photo shown is the standard set-up of the room. Please also note the difference between seats available and room capacity as they are different. A different room set-up and/or addition seating is available at a cost. The cost includes set-up and breakdown and varies based on your needs. Please DO NOT change the standard set-up of a room – this must be requested in advance with the Office of Student Activities and Union Services in Student Union 211 so appropriate staffing can be scheduled and events held in the room after your group is over is not impacted.

All rooms have pull down projection screens and portable technology can be delivered to your meeting room. No room is equipped with technology and requires a request in advance. Portable computer/AV carts are reserved on a first-come, first-serve basis.

For a full fee schedule, please visit the Office of Student Activities and Union Services website at: www.newpaltz.edu/saus and look for Student Union Set-up Fees. Please review the following pages for photos and additional room information. Questions should be directed to the New Paltz Office of Student Activities and Union Services at 845-257-3025 or visit our office in Student Union Room 211.
