Congratulations on your acceptance to the State University of New York at New Paltz!

Welcome to our community! The entire Orientation Staff is planning for your arrival on campus this summer, and we look forward to meeting you. This brochure outlines the EOP Orientation program, which provides a meaningful and successful beginning to your college career.

This program is your first step in becoming a student, offering a variety of resources to support your transition into New Paltz and introduces you to the academic and social life it has to offer. During the program and throughout your first year, Orientation Leaders & EOP Liaisons will serve as your mentors and guides. They are excellent sources of information, will assist the EOP advisor who helps you select your courses, and will be happy to answer your questions throughout Orientation.

It always takes awhile to find your way around a new place. EOP Student Orientation and Course Registration will help you make the most of three and a half days on campus. Living in a residence hall, learning about your academic requirements and responsibilities, and registering for your classes are just the obvious reasons that Orientation is essential for first-year students. Research has shown that Orientation is a critical factor for future success at college. The reason we have developed our award-winning program is based on national data that shows students are more likely to stay in college, be satisfied with their experiences, get better grades, and be more likely to graduate as a result of EOP Orientation.

Your arrival at New Paltz for EOP Orientation and again when you officially ‘move in’ on August 25 will mark the beginning of a significant journey. We are here to make sure your experience is a positive one and to help you soar!

Once again, I look forward to meeting you and warmly welcome you to our New Paltz Community.

Sincerely,

Michelle C. Combs
Director of Student Development

Antonio Bonilla
Director of EOP

Orientation Sessions & Dates
Sessions I, III, & IV run from check-in on Monday from 1:00–2:15 p.m. until approximately 4:30 p.m. on Thursday.

I June 27–30
II July 5–8 (this session runs Tuesday - Friday)
III July 11–14
IV July 18–21
**Orientation Highlights**

for Students

**At eop orientation you will have the opportunity to:**

**Meet EOP Staff**
An EOP advisor will help answer your questions about your major and help you plan your fall course schedule.

**Register for classes**
You will leave Orientation with your class schedule for the fall in hand!

**Experience residence hall life**
By staying in a residence hall, you’ll get a feel for the campus in a relaxed way and get to know your future “home away from home.”

**Find out about student services**
Discover the resources, services and programs that are available to you as a new hawk!

**Learn about important social issues**
You will experience theatrical programs and workshops that cover many important aspects of your life outside the classroom.

**Spend time with other future students**
Meet your peers! You will be in the company of your future classmates and friends.

**Meet your Orientation Leader/EOP Liaisons**
They will help guide you through Orientation and will be an invaluable resource for your first year at New Paltz.

**Attend special social events**
To help you enjoy your visit with us, we have special social evening programs planned for you including a mindreading show, the lip-sync competition and late night activities!

**Select your room assignment**
You will leave Orientation knowing where you will live in the fall.
Communities at New Paltz
First-year students can participate in Communities at New Paltz, a newly designed Living-Learning Community that offers four distinct living experiences featuring specific inter-disciplinary themes: Leadership, Health & Wellness, Service Learning and Career Exploration. First-Year students who choose to participate in one of these interest-based communities will connect with other students who share similar interests, while gaining an introduction to the larger SUNY New Paltz campus and the surrounding New Paltz community. Students will gain a unique opportunity to learn, explore, and connect with others in the context of an engaging academic and residential community. Materials about these programs will be sent to you via e-mail this spring, and applications are considered on a first-come, first-served basis. Be sure to sign up in early May when you receive the application instructions.

Freshman Summer Reading
When you attend Orientation you will receive information about your summer reading, including a study guide. This reading assignment will be discussed during your first week of class.

“Now that I’ve stayed on campus, I feel I will be living and learning in a safe environment. I liked staying in the residence hall, eating in the dining hall and making new friends.”
Parents, siblings and extended family members play a vital role in a student’s transition into the New Paltz community. Because this time can be both exciting and challenging for the entire family, we offer an Orientation for parents and family members running parallel to the EOP Student Orientation. Even if this is not your first child going off to college, a parent getting to know the campus environment, people and services at New Paltz is a worthwhile experience.

Note: Those who pay for Orientation receive a nametag to enter each session of the program. Those who do not pay in advance are welcome to stay through the Official Welcome which ends at noon.

*Special Note: This year, the Parent & Family program’s residence hall is approximately a 5–10 minute walk from the various program locations. As parking near some buildings may be limited, participants who choose to stay on campus are advised that A FAIR AMOUNT OF WALKING IS INVOLVED.
Meet with Representatives from Academic and Student Affairs
Get your questions answered by staff from Student Accounts, Financial Aid, Counseling, Health Services, Safety, Career Resource Center, Meal Plan/ID card office and many others!

Get to know New Paltz!
Enjoy off-campus excursions to Huguenot Street (the oldest street of stone houses in America) or a local winery and Mohonk Mountain House (a national historic landmark).

Talk to other parents about what you have in common
We typically have between 100 and 150 parents participate in Orientation each week. Spend some time chatting with other New Paltz parents about your experiences or concerns.

Participate in the fun-filled lip-sync competition
Want to have some fun? Before you watch your student get on stage, entertain them with a little lip-syncing yourself at our fun-filled lip sync event!

Have the option to experience residence hall life
Many family members stay on-campus, experiencing a bit of campus life in a basic, air-conditioned residence hall room.* These accommodations are quite popular with parents, but for those who prefer off-campus lodging, please see the page on “Making Reservations for Your Session.” A description of available options for the parent programs is on page 12.

Please note: Students stay in a separate building from the Parent & Family Program.

“An excellent experience—I was so pleasantly surprised with the program. I’m sending my fourth child to college and was unsure about coming, but so glad that I did! What a wonderful, well-planned program.”

Event practice
Lip-Sync event

Day Four
Breakfast
Wrap-Up with staff
Fin. Aid & Student Accts. Presentation
Check out
Cookout with EOP
Wrap up with EOP Director
Free time
“Orientation is laid back, friendly and fun. It made my college adjustment a much smoother process, teaching me the ins and outs of classes, programs, registration...not to mention the campus.”
Why do I need to attend an Orientation?
Orientation is an essential part of entering college and registering for classes. It is necessary for all incoming New Paltz freshmen to attend a session. New Paltz has a 99% attendance rate for Orientation.

How long does the program run?
The program includes 3 ½ days of jam-packed required activities, so it is essential that students select a session for which they can make the 3 ½ day commitment. Check-in at the residence halls is between 1:00 and 2:15 p.m. on Day 1. If you are traveling by bus, information on Adirondack Trailways will be included in your Confirmation Packet.

Do students attend the Orientation program with family members?
We encourage family members to attend Orientation. It is a great opportunity for family members to meet important campus contacts, have all of their questions and concerns about college addressed, and partake in leisure activities. About 50% of students are accompanied by family members. However, students participate and immerse themselves in their program which is separate from the Parent & Family Program. Dinner on Day 3 and lunch on Day 4 are the only parts of the program where the student and parent program formally overlap. Siblings who participate must be over the age of 18 or accompanied by an adult. Please be advised that there is not a special program for siblings.

Students and family members will be participating in two SEPARATE programs.

How is the Parent & Family Program structured?
The program runs parallel to the Student Orientation and provides a separate forum for family members to experience the same content as the students while being parent-family specific. Student Orientation groups are designed to encourage social bonding between incoming students; therefore, all guests follow the Parent & Family program and overlap with their students for two meals and one activity. Parents and family members, including siblings and other guests, reside in a separate residence hall from the students. Please remember that the student residence hall is NOT air-conditioned, however, the Parent & Family Residence Hall is air-conditioned. Please see special note on page 4.

Is the housing for family members separated by gender?
If members of the same family attend together, they will be housed together (If two members of a family need separate accommodations, please be sure to indicate.) Every effort will be made to give family members attending alone their own room, as space allows.

What if a parent cannot attend the entire program?
In extenuating circumstances, a parent can choose to attend either Day Two or Day Three of the program. The Day 2 plan only includes lunch. NO MEALS are included in Day 3. Meals can be purchased on a cash basis. If parents choose to “split” a session, an administrative fee of $15 will be added.

I live in the Hudson Valley. Is it necessary for my student to stay on campus overnight?
Many mandatory meetings, activities and informal advising sessions take place late into the evening. For the student’s social adjustment, we strongly urge every student participating to stay on campus, even if he or she resides in New Paltz.

Note: Those who pay for Orientation receive a nametag to enter each session of the program. Those who do not pay in advance are welcome to stay through the Official Welcome which ends at noon on Tuesday.
**Commonly asked questions**

**Do you award credit for AP courses?**
Students who receive a score of 3 or better on an AP subject examination will receive either a course-to-course credit or elective credit, depending on the individual department policy. You must request that College Board send your AP scores directly to the Office of Undergraduate Admission by the mid-point of your first semester at New Paltz in order to receive this credit.

**Do you award credit for IB courses?**
Students who receive a grade of 5 or better in an IB Standard or Higher level course will receive either a course-to-course credit or elective credit depending on the individual department policy. You must request an official IB transcript from the IB Group be sent directly to the Office of Undergraduate Admission by the mid-point of your first semester at New Paltz in order to receive credit. Students who earn a 24 or better on the IB diploma are eligible to receive up to 30 college credits.

**What if I’ve taken college courses during high school?**
New Paltz will accept college courses from accredited colleges for which you have received a “C” or better. Official transcripts from the participating college(s) must be sent directly to the Office of Undergraduate Admission by the mid-point of your first semester at New Paltz in order to receive credit.

**Will I receive any further information regarding Orientation?**
Once you have returned your reservation form with payment, you will first receive an e-mail confirming the dates of the session to which you have been assigned. A few weeks prior to the session, you will receive a confirmation packet with a checklist of what to pack, directions to the campus, and further information on the program.

**When is the Health Report and Proof of Immunization Form (signed by a physician) due?**
The Student Health Service strongly recommends that once you have chosen to attend SUNY New Paltz, you make an appointment with your family doctor. The Health Report demographics, health history and meningitis response form must be completed by the student or their parents prior to visiting the doctor. After your doctor completes the Health Report and proof of immunizations, it must be submitted to the Student Health Service. The report must be received 30 days prior to arriving on campus. Please mail the report by the deadline date of July 15, 2016.

New York State law requires all students to submit proof of immunizations against certain diseases. Returning the completed Health Report and Proof of Immunization form should fulfill this requirement and allow you to register for classes.

The Health Report is located on the SUNY New Paltz website by navigating to the Student Health Service website, clicking on the Forms link and printing the Health Report (HR).

“After attending Orientations at three other colleges, I can honestly say that the one at New Paltz is the best. Students and parents are supplied with everything they need to make freshman year and beyond a big success. An invaluable experience I don’t see how any parent could miss.” — B. Robinson, parent of Christopher Chaplin
When will I receive official Financial Aid award information?
Accepted students who have filed a FAFSA by March 15 should receive an estimate of aid eligibility on or shortly after April 1. Families are encouraged to visit the Financial Aid Office website online presentation (under Costs & Planning) “Managing The Price of College” for detailed cost and financing options.

When will I find out information about fall housing?
During Orientation, information about housing options will be reviewed with you and you will have the opportunity to select a room. Please note: If you plan to live off-campus, you must receive pre-approval from the Department of Residence Life before you can sign up for Orientation. For further information on housing, please contact their staff at 845.257.4444.

When is final payment due for tuition, housing, meal plan, and associated fees?
Once a student registers for classes, a bill will be generated. You can access your bill and accept your charges online at my.newpaltz.edu. Billing is only done online through your my.newpaltz.edu account. Paper bills are not mailed. The bill will include your financial aid package as payment, or you may need to request a deferral of payment if your financial aid package is not complete. Additional details about your financial aid and bill will be discussed at Orientation.

Will Orientation fees be refunded if we have to cancel?
Refunds can only be issued if we are contacted at least 72 hours before your session begins. Please call 845.257.3088.
Making Reservations for Your Session

☐ Please make sure your Pre-Enrollment Deposit (PED) and your Advance Room Deposit have been waived through the Educational Opportunity Program.

FILLING OUT THE FORM

☐ To Reserve online: Go to www.newpaltz.edu/orientation and follow the links for first-year students. Once you have finished your reservation form, please print out the confirmation that the registration process has been completed. Please note: This does not guarantee session choice.

OR

☐ Fill out the attached Orientation Reservation Form and return to our office.
  • Reservations are filled on a first-come, first-served basis.
  • We regret that reservations cannot be taken over the phone.

CONFIRMATION OF SESSION

☐ Within two weeks of filling out the reservation form you will receive an e-mail confirmation to the student’s e-mail address on the reservation form (and parent e-mail if provided) informing you of the session you have been placed in. Please print this confirmation and bring it with you to your Orientation session.
  • We will make every effort to accommodate your first preference. However, if your first choice is not available we will schedule you for an alternate session.

TWO WEEKS BEFORE YOUR SESSION

☐ You will receive a confirmation packet in the mail with directions, a map and important information on what to bring to Orientation. We look forward to seeing you soon!

Off-Campus Lodging
The following websites and phone numbers list a variety of accommodations:
www.newpaltzchamber.org
845.255.0243
www.ulsterchamber.org
845.338.5100

Accommodations for Special Needs
All visitors should be aware that walking to various buildings is necessary. Students or guests with special needs (accessible housing, sign language, mobility issues or materials in alternate formats) should contact the Center for Student Development. An Open House will also be held in the Disability Resource Center on the last day of each Orientation session.

Questions? Call The Center for Student Development at 845.257.3088, or e-mail us at studev@newpaltz.edu

August 25
New Student Move-In Day & Kick-Off Program for Orientation Part II
Residence halls open for first-year students at 10:00 a.m. and the college community greets and directs everyone to their new “home away from home.” Students meet their groups for their first dinner on campus and attend the kick-off program together.

August 26
Orientation Part II & Fall Convocation
Students continue the Orientation process through attendance at academic programs and at introductory receptions where they will have the opportunity to meet faculty in their discipline. All new students attend Fall Convocation, an annual ceremony marking the student’s new academic journey.

August 26-28
Welcome Weekend
These three days of activities for new and returning students not only include introductory receptions with academic departments, but fun-filled events including movies, a psychic fair, a local business fair with free giveaways and food, a shopping trip and the annual lip-sync finals!

September 24-25
Parent & Family Weekend
Plan to visit your student and see the college in the beautiful fall season. On-campus activities and exhibitions, as well as a variety of regional events, will be taking place. Information will be mailed home in late August. To reserve space in advance see our website at www.newpaltz.edu/parentsweekend for more information.
